Acknowledgements

I would like to express my deepest gratitude and respectful regards to my supervisor, Prof. P. Madhubala, Department of Linguistics, Manipur University, Canchipur, Imphal, for her patient guidance, encouragement, making critical suggestions with posing remarkable questions. Her constant advice, affectionate attitude and inevitable discussion added considerably to my work. It would have not been possible to complete this thesis without her invaluable and continuous motivations.

I owe to pay my special thanks to Prof. S. Imoba Singh, Head, Department of Linguistics, Manipur University for his valuable suggestions that have been very helpful for this study.

I am highly thankful to Prof. N. Pramodini, Department of Linguistics for her critical questions and suggestions.

I extend my thanks to Prof. Yashawanta Singh, Dr. H. Surmangol Sharma, Associate Professor and all the respected teachers of Department of Linguistics for their co-operation and valuable queries that throws light to my research work.
I am highly thankful to the laboratory staffs for their help in recording data and to my friends who gave support to me during my research work.

Last, but not the least, I gratefully acknowledge my parents and relatives who support me in doing this work fruitfully.
