ACKNOWLEDGEMENTS

I owe a deep sense of gratitude to Dr. (Mrs.) M. Banerji Lecturer, Department of Psychology, Institute of Advanced Studies, Meerut University, Meerut for pains taking, expert guidance and encouragement during the course of this investigation and preparation of this manuscript.

I also express my profound sense of gratitude to Dr. N.S. Chauhan, Professor and Head, Department of Psychology, Institute of Advanced Studies, Meerut University, Meerut who has permitted me kindly for doing this work.

It is difficult to find adequate words to express my debt and my gratitude to Km. Rekha Atrey, Research Scholar, Department of Psychology, Institute of Advanced Studies, Meerut University, Meerut and Smt. Rita Tiwari, R.G. College, Meerut for their cooperation for the present work.

I should like to thank the principals, teachers and children of Bal Jagat Junior High School, Kailashpuri, Meerut; Flora Dale School, Meerut; Shivangi Public School, Meerut; Shishu Niketan Montasery School, Dabathuwa, Meerut; and Shri Indira Gandhi Junior High School, Dabathuwa, Meerut for their kind cooperation in collecting data and information necessary for this work.

I am particularly grateful to my husband Dr. N.C. Gupta,
