4.19 Respondents’ training need on Knowledge of Drafting 78
4.20 Respondents’ training need on dealings with Seniors & Juniors 79
4.21 Respondents’ training need on preservation of records and files 80
4.22 Respondents’ training need on Professional Competencies 81
4.23 Respondents’ training need on Professional Attitudes 82
4.24 Respondents’ training need on Professional Ethics 83
4.25 Respondents’ training need on time management 84
4.26 Respondents’ training need on capability to execute assigned job with minimum supervision 85
4.27 Respondents’ training need on Stress Management Skill 86
4.28 Chi-Square test on Sub-Hypothesis under Hypothesis 01 87
4.29 Chi-Square test on Sub-Hypothesis under Hypothesis 02 89
4.30 Correlation Analysis 92
4.31 Model Summary (Regression Analysis) 96
4.32 ANOVA (Regression Analysis) 96
4.33 Co-efficients (Regression Analysis) 97
5.1 Age of the respondents 101
5.2 Qualification of the respondents 102
5.3 Designation of the respondents 103
5.4 Respondents’ opinion on Management concern for training of employees 104
5.5 Respondents’ opinion on prevailing of healthy environment, where junior employees learn their job from their seniors 105
5.6 Respondents’ opinion on initiative of the Management in arranging training programmes 106
5.7 Respondents’ opinion on the statement ‘Training programmes organized are well structured and sufficient time was allotted for each subject/session’ 107
5.8 Relevancy of the training programme to the present job of respondents

5.9 Respondents’ opinion on the statement ‘There is a need based selection for the training programme’

5.10 Respondents’ opinion on the statement ‘All employees are always encouraged to participate in the training programme’

5.11 Respondents’ opinion on the statement ‘Training environment was favourable and helped in sharing of information’

5.12 Respondents’ opinion on the statement ‘Required training materials and assistance were given during the training programmes’

5.13 Respondents’ opinion on the statement ‘Trainers presented the materials satisfactorily and it was easy to understand’

5.14 Respondents’ opinion on the statement ‘Training helped in getting awareness of the latest trends in the areas of functioning of the University’

5.15 Respondents’ opinion on ‘Training programmes was relevant in terms of functioning and goals of the University’

5.16 Respondents’ opinion on ‘Content and time allotted for the training programme is satisfactory’

5.17 Respondents’ opinion on the statement ‘Quality reading materials are provided during the training which will be useful in future’

5.18 Respondents’ opinion on the statement ‘Instructors have good knowledge on the subject and they interacted with the trainees well’

5.19 Respondents’ opinion on ‘The training is helpful in performing the assigned job/work more perfectly by
utilizing the full capabilities and potentialities.’

5.20 Respondents’ opinion on ‘The training programme helps to enhance the quality of assigned work and to complete it in time.’

5.21 Respondents’ opinion on the statement ‘It is possible to get additional information in the relevant areas through training’

5.22 Respondents’ opinion on ‘Training enables to take up additional assignments, which are of challenging in nature’

5.23 Respondents’ opinion on the statement ‘The training programme is found useful and very much relevant in terms of the job assigned’

5.24 Respondents’ opinion on ‘Training helps in improving self-confidence’

5.25 Respondents’ opinion on ‘Training improves decision making skill’

5.26 Respondents’ opinion on ‘Training improves problem solving skill’

5.27 Respondents’ opinion on ‘Training improves personality of the respondents’

5.28 Respondents’ opinion on ‘Training improves quality of service of respondents’

5.29 Respondents’ opinion on ‘Training improves overall productivity of respondents’

5.30 Respondents’ opinion on ‘Training is meaningless and wastage of time & money’

5.31 Respondents’ opinion on ‘Trainers are not able to conduct the training programmes up to the level of satisfaction of the trainees’

5.32 Respondents’ opinion on ‘Training is not at all attractive and feel sleepy while in training’
5.33 Respondents’ opinion on ‘Never attend any training in future’

5.34 Respondents’ opinion on ‘Enough opportunities are being provided by the University to implement the knowledge and skill learns during the training.’

5.35 Respondents’ opinion on ‘Trainees are always encouraged to give suggestion by the higher officials.’

5.36 Respondents’ opinion on ‘Training will always be helpful for future career.’

5.37 Respondents’ opinion on ‘Overall level of satisfaction on the training programmes attended’

5.38 Reliability Analysis of variables for Evaluation of Effectiveness of Training

5.39 Mean value and Standard Deviation for ‘Reaction of trainees towards training’

5.40 Mean value and Standard Deviation for ‘Measurement of learning on training contents’

5.41 Mean value and Standard Deviation for ‘Measurement of Changes in job behaviour’

5.42 Mean value and Standard Deviation of ‘Outcome/Utility of training’

5.43 Model Summary

5.44 ANOVA

5.45 Co-efficients

5.46 Model Summary

5.47 ANOVA

5.48 Co-efficients

5.49 Model Summary

5.50 ANOVA

5.51 Co-efficients

5.52 Mean value and Standard Deviation for ‘Pre-Training Evaluation’
5.53 Mean value and Standard Deviation for ‘During Training Evaluation’

5.54 Mean value and Standard Deviation for ‘After Training Evaluation’

5.55 Mean value and Standard Deviation for ‘Organisation of Training Practices’

5.56 Mean value and Standard Deviation for ‘Employees performance after attending training programme’

5.57 Model Summary

5.58 ANOVA

5.59 Co-efficients

5.60 Mean, SD, F-value of respondents’ opinion on effectiveness of training in improving self confidence on the basis of their University/Institution

5.61 Mean, SD, F-value of respondents’ opinion on effectiveness of training in improving self confidence on the basis of their Age group.

5.62 Mean, SD, F-value of respondents’ opinion on effectiveness of training in improving self confidence on the basis of their qualification

5.63 Mean, SD, F-value of respondents’ opinion on effectiveness of training in improving self confidence on the basis of their designation

5.64 Mean, SD, F-value of respondents’ opinion on effectiveness of training in improving decision making skill on the basis of their University/Institution

5.65 Mean, SD, F-value of respondents’ opinion on effectiveness of training in improving decision making skill on the basis of their Age group.

5.66 Mean, SD, F-value of respondents’ opinion on effectiveness of training in improving decision making skill on the basis of their Qualification.

5.67 Mean, SD, F-value of respondents’ opinion on effectiveness of training in improving decision making skill on the basis of their Designation
Mean, SD, F-value of respondents’ opinion on effectiveness of training in improving problem solving skill on the basis of their University/Institution

Mean, SD, F-value of respondents’ opinion on effectiveness of training in improving problem solving skill on the basis of their Age group.

Mean, SD, F-value of respondents’ opinion on effectiveness of training in improving problem solving skill on the basis of their Qualification

Mean, SD, F-value of respondents’ opinion on effectiveness of training in improving problem solving skill on the basis of their Designation.

Mean, SD, F-value of respondents’ opinion on effectiveness of training in improving overall productivity on the basis of their University/Institution.

Mean, SD, F-value of respondents’ opinion on effectiveness of training in improving overall productivity on the basis of their Age group.

Mean, SD, F-value of respondents’ opinion on effectiveness of training in improving overall productivity on the basis of their Qualification.

Mean, SD, F-value of respondents’ opinion on effectiveness of training in improving overall productivity on the basis of their Designation.

Mean, SD, F-value of respondents’ opinion on overall level of satisfaction on the training programmes attended on the basis of their University/Institution.

Mean, SD, F-value of respondents’ opinion on overall level of satisfaction on the training programmes attended on the basis of their Age group.

Mean, SD, F-value of respondents’ opinion on overall level of satisfaction on the training programmes attended on the basis of their Qualification.

Mean, SD, F-value of respondents’ opinion on overall level of satisfaction on the training programmes attended on the basis of their Designation
