Acknowledgements

At the outset, I extend my heartfelt obeisance and acceptance to “Omnipotent Allah”, the great faith in whom helped me to accomplish this project successfully.

It is indeed my bounden duty and heartfelt gratitude and humble regards to my revered teacher and supervisor Dr. Zamirullah Khan, Associate Professor, Department in the physical Health and Sports Education, A. M. U., Aligarh. The present work has culminated due to his expert supervision, meticulous guidance, inspiration and most of all his enthusiasm for perfection and completion of this work.

And also it is indeed my bounden duty and heartfelt gratitude and humble regards to my revered teacher Dr. Abid Ali Khan, Lecturer, Department of Mechanical engineering A.M.U, Aligarh for his help rendered during the compilation of the work.

My special thanks to all my teachers Dr. Rajendra Singh (Chairman, Department of Physical Health & Sports Education, A.M.U), Prof. Ikram Husain, Prof. Jaowad Ali Khan, Dr. Brij Bhushan Singh, Dr. Kabeer Shah Khan, Dr. S. Tariq Murtza and non teaching staff of the department for their encouragement and motivation for this academic endeavor.

It is no elaboration that this study owes its reality to the inspiration and encouragement received from Dr. Reena Kaul Ex. Sport Psychologist S.A.I, Center N.S.E.C. Kolkata and Dr. Kontal Ray, Ex. H.O.D S.A.I, Center N.S.E.C. Kolkata and all the executive, coaches, experts and athletes of different academy and state levels for their invaluable cooperation and help rendered by then during the process of data collection.
I also grasp this opportunity to express my heartiest thanks to my friends Dr. Zeeshan Haider, Dr. Dilshad Ali, Dr. Irfan khan, Sartaj Khan, Ahmad yushuf, Tanveer Ahmad, Mahtab Alam, who generously helped me throughout the work as when required.

Finally, I am greatly indebted to my parents, Late Mr. Mohammad Farahim, Late Mrs. Amna Khatoon, My brother Iqbal Ahmed, Mohammad Aslam, Mohammad Akram and my wife Husan Jamal, my beloved children Mohd. Areeb, Agna Jamal and my loving sisters Khursheeda Khatoon, Murshed Khatoon, Saba Parveen and my nephews Waseem Alam for their immense love, prayers and support without which this work would not have been accomplished in target time.

I also owe my thanks to Dr. Haseeb Athar, lecturer, in Deptt. Of Statistics & Mr. Hashim Malik, System programmer, computer center, A.M.U., for his valuable suggestions and help in terms of statistical treatment of data. My special thanks to Mr. Mohd. Kalam for the typing work.
