Declaration

I hereby declare that the work incorporated in the thesis entitled “p53 mediated regulation of SMAR1 and their co-ordinated role in tumorigenesis through modulation of NFκB and TGFβ target gene expression” submitted by me for the award of degree of Doctor of Philosophy is the compilation of the work carried out between the period of February 2003 to June 2007 under the guidance of Dr. Samit Chattopadhyay at National Centre for Cell Science. Neither, the thesis nor any part of it has been submitted for the award of any degree, diploma or fellowship elsewhere. I further declare that materials or contribution obtained from other sources or persons have been duly acknowledged in the thesis.
