ACKNOWLEDGMENT

I would like to take this opportunity to acknowledge individuals who made this project possible. It was a great pleasure and privilege to collaborate with many outstanding faculty and friends at the psychology department at S.O.S. Pt. Ravishankar shukla University.

I am especially grateful for having an opportunity to work under the gracious guidance of Dr. Mrs. Promila Singh, Professor of psychology. Her generous support, genuine passion for service to others, and work ethics have not only continued to inspire me on a professional and personal level, but have also provided an exemplary standard for my future professional pursuits.

I also would like to thank the members of my dissertation committee: Dr. B. Hasan, Professor and Head of Psychology Dr. B.G. Singh, Professor of Psychology, Dr. Priyumvada Shrivastva, Professor of psychology, Dr. Meeta Jha, Associate Professor of Psychology, and Dr. P. Shukla, Associate Professor of Psychology for their valuable comments.

A special thanks goes to my colleague Miss. Deepiti Dhurandhar, Dr. Satish Shrivastava and Dr. Ashutosh Tiwari. I also want to thank my brother Ashish Agrawal for encouraging me. My sincere thanks goes to all professional and Degree courses students for their support and help in pursuing my data collection.

This work would not have done without the blessings, best wishes and cooperation of my mother Late Mrs. Arundhati Agrawal, mother in law Mrs. Kamla Agrawal, father Mr. Virendra Agrawal and father in law Mr. Uttam Agrawal.

A special thanks to my husband Mr. Akash Agrawal and my children Adesh Agrawal and Adhishta Agrawal for motivating me to complete this work.

My heartfelt thank goes to my sisters Abha Agrawal and Aarti Awasthi for their cooperation.
