ACKNOWLEDGEMENT

This thesis has been the culmination of the research work done in the Department of Research, Faculty of Management and Commerce, Mewar University, Chittorgarh, Rajasthan under the supervision of Prof. Lokesh Jindal. To begin with, I am thankful to Dr. Lokesh Jindal for giving me the opportunity to carry out my dissertation in the department of research, Mewar University. I would like to express my sincerest gratitude to him for his supervision, advice, and guidance. He gave constant encouragement and support in various ways. His management acumen has made him as a continuous source of ideas which inspired and enriched my growth as a student and a researcher. I am indebted to him, for his faith in me and providing the right direction whenever I needed it the most.

I am also very thankful to all the members of this department who helped me in one way or the other to carry out my work successfully.

Finally, my parents, brother and husband deserve special mention here. My deep and lasting gratitude to my parents for their unconditional love, faith, and support. They have been a constant source of inspiration and this work is especially dedicated to them. To the rest of my family members for cheering me up whenever I felt low and being the most loving people around.
