CHAPTER 1 INTRODUCTION 1-30
1.0 Introduction 1
1.1 Brief History of Stress 5
1.1.1 Physiological Orientation 6
1.1.2 Psychological Orientation 7
1.2 Definition of Stress 8
1.2.1 Dictionary Meaning 8
1.2.2 Psychological Meaning 8
1.2.3 Encyclopedic Meaning 9
1.2.4 Social Meaning 9
1.3 Components of Stress 10
1.4 Various Approaches of Stress 11
1.4.1 The response-oriented Approach 11
1.4.2 Psychodynamic Approach 12
1.4.3 Stimulus-Oriented Approach 12
1.4.4 Epistemological and Ontological Approach 13
1.5 Types of Stress and Stressors 13
1.6 Coping Behavior 15
1.6.1 Meaning of Coping Behavior 15
1.6.2 An Environmental Psychologist’s point of view 15
1.7 Psychological Correlates of Student’s Stress 16
1.7.1 Academic Self-Concept 16
1.7.2 Self-image 16
1.7.3 Adjustment 17
1.8 Social Correlates of Student Stress 17
1.9 Stressors and their Effects 17
1.10 Education and Stress 18
1.10.1 Academic Achievement 19
1.10.2  Relation between Stress and Academic Achievement  20
1.10.3  Education as a process of Stress Management  22
1.11   Operational Definition of terms  22
1.11.1  Stress  22
1.11.2  Academic Achievement  23
1.11.3  Undergraduate  23
1.11.4  Students  24
1.11.5  Effects  24
1.11.6  Tripura  25
1.12   Rationale of the Study  25
1.13   Research Questions  27
1.14   Objectives of the Study  28
1.15   Hypothesis  28
1.16   Statement of the Problem  30
1.7    Conclusion.  30

CHAPTER-II  HISTORICAL BACKGROUND OF TRIPURA  31-58
2.0    Introduction  31
2.1    History of Tripura  31
2.2    Geographical Location  36
2.3    Population  38
2.3.1  Scheduled Caste  39
2.3.2  Schedule Tribe  39
2.4    Education Movement  40
2.5    Culture  42
2.5.1  Life style of tribes of Tripura  43
2.6    Present Educational System of Tripura  46
2.6.1  School Education  47
2.6.2  Higher Education  48
2.7    Tourism  49
2.7.1  Ujjayanta Palace  49
2.7.2  Neermahal  50
2.7.3  Unakoti  50
2.7.4  Tripura Sundari Temple  50
2.8 Effects of the partition on Tripura 50
2.9 Rabindranath Tagore and Tripura 51
2.10 Conclusion. 53

CHAPTER - III REVIEW OF RELATED LITERATURE 59-85
3.0 Introduction 59
3.1 Meaning of Review of Literature 59
3.2 Studies in abroad 60
3.3 Studies in India 70
3.4 Gaps in research area 85
3.5 Conclusion 85

CHAPTER-IV METHODOLOGY AND PROCEDURE 86-98
4.0 Introduction 86
4.1 Type of Research 86
4.2 Population 86
4.3 Sample of the Study 87
4.4 Tools Used 89
4.4.1 Student’s stress Scale 89
4.4.2 Sampling procedure 90
4.4.3 Administration of the Scale 90
4.4.4 Scoring Procedure 91
4.5 Academic Performance 92
4.6 Qualitative Method 92
4.6.1 Semi-Structured Interview 93
4.6.2 Case Study Method 93
4.7 Procedure 94
4.7.1 Determine and Define the research questions 94
4.7.2 Selecting the cases and determining data gathering and analysis Techniques 95
4.7.3 Data Collection Technique 96
4.7.4 Collecting data in the field 96
4.7.5 Qualitative Data Analysis 97
4.8 Delimitations of the Study 98
4.9 Statistical Analysis 98
4.10 Conclusion 98
CHAPTER-V  DATA ANALYSIS AND INTERPRETATION  99-136
5.0  Introduction  99
5.1  Quantitative data analysis  99
5.2  Qualitative data analysis  129
5.3  Conclusion.  136

CHAPTER-VI  FINDINGS AND OBSERVATION  137-147
6.0  Introduction  137
6.1  Findings of the Quantitative study  137
6.2  Findings on Qualitative analysis  143
6.3  Conclusion  147

CHAPTER-VII  SUMMARY OF THE WORK  148-162
7.0  Introduction  148
7.1  Chapter-1  148
7.1.1  Objectives of the study  148
7.1.2  Formulation of the Hypothesis  148
7.1.3  Rationale of the study  149
7.1.4  Operational definitions of the term  150
7.2  Chapter-2  151
7.2.1  Brief history of Tripura  151
7.2.2  Present Educational System  152
7.3  Chapter-3  152
7.3.1  Literature Review  152
7.4  Chapter-4  152
7.4.1  Type of Research  153
7.4.2  Sample and Population  153
7.4.3  Tools Used: Quantitative and Qualitative  153
7.4.4  Student’s stress Scale  153
7.4.5  Sampling and scoring procedure  154
7.5  Chapter 5  154
7.6  Chapter 6  154
7.7  Chapter 7  154
7.7.1 Findings on Quantitative Study 155
7.7.2 Qualitative Method 158
7.7.3 Procedure 158
7.7.4 Findings on Qualitative Study 158
7.7.5 Suggestions for Further Research 160
7.7.6 Recommendation 161

CHAPTER-VIII CONCLUSIONS 163-166
8.0 Conclusion 163
8.1 Educational implication of the study 166

BIBLIOGRAPHY 167-178

ANNEXURE I vii-xix

LIST OF TABLES

➢ Table – 1: Showing the sampling profile
➢ Table – 1.1: Showing the scores assigned to each response Category
➢ Table – 2: Showing the Descriptive Statistics Concerning Distribution of stress and academic achievement scores
➢ Table -3: Showing the Mean and S.D of the groups considered for stress scores
➢ Table -4: Showing the summary of the Factorial Analysis of Variance (ANOVA) for the scores of stress.
➢ Table-5: Showing the Mean and S.D of the Groups Considered for Table Academic Achievement scores.
➢ Table-6: Showing summary of the Factorial Analysis of Variance (ANOVA) for the scores of Academic Achievement.
➢ Table-7 Showing the Mean and S.D. of the groups considered for stress due to institution and teacher scores.
➢ Table-8 Showing the summary of the Factorial Analysis of Variance (ANOVA) for the stress due to institution and teacher scores.
➢ Table-9 Showing the Mean and S.D. of the groups considered for stress due to home environment scores.
➢ Table-10 Showing the Summary of the Factorial Analysis of Variance (ANOVA) for the stress due to home environment scores.
➢ Table-11: Showing the Mean and S.D. of the groups considered for stress due to examination scores
➢ Table -12 Showing the summary of the Factorial Analysis of Variance (ANOVA) for the stress due to examination scores
➢ Table -13: Showing the Mean and S.D. of the groups considered for stress due to parent’s scores.
➢ Table-14: Showing the summary of the Factorial Analysis of Variance (ANOVA) for the stress due to parents’ scores.
➢ Table -15: Showing the Mean and S.D. of the groups considered for stress due to outer environment scores.
➢ Table-16: Showing the summary of the Factorial Analysis of Variance (ANOVA) for the stress due to outer environment scores.
➢ Table-17: Showing the Mean and S.D. of the groups considered for stress due to personal weakness and anxiety scores.
➢ Table-18: Showing summary of the Factorial Analysis of Variance (ANOVA) for the stress due to personal weakness and anxiety scores.
➢ Table-19: Showing Mean of the groups considered for stress scores.
➢ Table-20: Showing summary of the Factorial Analysis of Variance (ANOVA) for the stress scores.
➢ Table-21: Showing the Mean of the groups considered for stress scores.
➢ Table-22: Showing summary of the Factorial Analysis of Variance (ANOVA) for the stress scores.
➢ Table-23: Showing relationship between the stress scores and academic achievement of students.
➢ Table-24: Showing descriptive analysis in relation to Regression Analysis for students (400).
➢ Table-25: Showing summary of the Step-wise Multiple Regression Model for students.
➢ Table-26: Showing Step-wise Multiple Regression of Academic Achievement with the predictor variable for students. (N=400)
LIST OF FIGURES

- Figure-1: Showing the sample profile of undergraduate students
- Figure-2: Showing graphical representation of Mean of the groups considered for stress scores.
- Figure-3: Showing graphical representation of Mean of the groups considered for academic achievement scores.
- Figure-4: Showing graphical representation of Mean of the groups considered for stress due to institution and teachers scores.
- Figure-5: Showing graphical representation of Mean of the groups considered for stress due to home environment scores.
- Figure-6: Showing graphical representation of Mean of the groups considered for stress due to examination scores.
- Figure-7: Showing graphical representation of Mean of the groups considered for stress due to parents’ scores.
- Figure-8: Showing graphical representation of Mean of the groups considered for stress due to outer environment scores.
- Figure-9: Showing graphical representation of Mean of the groups considered for stress due to personal weakness and anxiety scores.
- Figure-10: Showing graphical representation of Mean of the groups considered for stress scores.
- Figure-11: Showing graphical representation of Mean of the groups considered for stress score.
