ACKNOWLEDGEMENTS

It goes without saying that any research work entails in it, a set of creative efforts of many persons to reflect a synergy in sequel. I wish to express my acknowledgement to all such people who have guided and helped me in completing this research work.

First and foremost, I am awfully thankful to my revered guide Prof. Atul Pandey, Professor & Head, Department of Business Administration, A.P.S. University, Rewa (MP) for his active guidance, considerations and support throughout this work and in my academic endeavors. He is not only a good teacher but also a very good person. He is a true philosopher and guide to me, without his continuous support and constant encouragement this research work could not have been completed.

I also fall shorts words to express my gratitude towards my teacher Dr. Anjna Dubey Tripathi, Department of Business Administration, A.P.S. University Rewa (MP) for her ever ready guidance and strong support to help me in learning the subject and for encouraging me to associate with academics and research.

I am also thankful to all guest faculties especially to Ms. Isha Kaur Rakhra, Dr. Amit Shrivastava, Dr. Sheshpal Namdeo and Ms. Pragya Singh and non-teaching staff of Department of Business Administration, A.P.S. University Rewa (MP) for their helping attitude during the Ph.D Course work and also during my research work.

I am also grateful to my college Institute of Innovation in Technology and Management, New Delhi for giving me the opportunity to complete my Ph.D Thesis. I am grateful to my colleagues Ms. Bharti Arora, Ms. Sonal Anand, Mrs. Lubna Ansari, Ms. Suruchi Sinha, Mrs. Kanika Dhingra, Mrs. Shilpa Arora, Dr. Sarmistha Sarma and Dr. Ramma Arun Kumar for taking out time from their busy schedule and helping me in collecting data for my research work. Without their generous help this work could not have been completed so quickly.

Family is an integral part of one’s life. They are with us in our thick and thin days. I want to thanks my grandparents Dr. Sajjan Singh & Mrs. Savitri Devi and my maternal grandparents Prof. R.B Singh & Mrs. Janki Devi for inspiring me for my doctoral work. I sincerely express my profound gratitude to my parents Dr. Vijay
Singh Baghel & Smt. Madhu Singh for upbringing me in such a way that gives confidence to me in all walks of life. My mother has been like a shadow with me during this period by relieving me to concentrate on my research work. I am also thankful to my father in-law Mr. Vijay Bhan Singh and mother in-law Smt. Kiran Thakur for being very affectionate and supporting always. My sister Mrs. Bhavna Singh and my sister in-law Ms. Chitrangda Thakur are the inner circle of my life, they are directly or indirectly involved in every meaningful thing I do. Here, I wish to mention them too.

It’s my fortune to gratefully acknowledge the support all my relatives and friends. I want to owe special thanks to Mrs. Tanya Singh, Mrs. Avantika Thakur Dhudhwal, Mr. Ashwat Dhudhwal, and Mrs. Aradhana Thakur Choudhary for their support in my thesis work.

Finally, the credit of this work goes to my beloved husband Abhinav Singh Thakur for unfailing love, support and understanding during my pursuit of Ph.D degree that made the completion of thesis possible.

In the end, I bow to almighty for showering its blessings on me and giving me strength to make continuous efforts to improve myself both academically and as a person.
