ACKNOWLEDGEMENT

The collaboration and assistance of many people are involved in producing a book. It is customary to thank all the people who helped me with the book. However, since this is project work, I want to begin by thanking some of the people who helped me with the completion of my project.

First, I would like to thank Jagdishprasad Jhabarmal Tibrewal University for giving me chance to work on the project.

I wish to take this opportunity to express my deep sense of gratitude to Dr. Prof Madhavrao Gavai for his valuable help and guidance in every aspect of the project without which the completion of this project would not have been possible.

I am also thankful to the Principal and all the faculty members of Pal Rajendra B.Ed College for their co-operation.

My thanks are also due to the Principals and Teachers of various Schools for their help in collecting the data.

I want to thank my old friends from whom I received material about this project during its development.

Finally, I would like to thank my Husband Mr B.M. Roopawalla and my Sons Ammar and Akil for their assistance in the preparation of the project made a difficult task distinctly easier. I sincerely thank them all.
