## CHAPTER - I

**Introduction** 1-22

- Achievement-concept 2
- Vocational-aspiration 5
- The Problem 10
- Rationale of the Study 11
- Significance of Study 12
- Objectives of the Study 13
- Hypotheses 15
- Sample 16
- Definition of Important Terms 16
- Definitions 16
- Tools and Techniques 17
- Statistical Technique Used 17
- Delimitation of the Study 18

## CHAPTER - II

**Review of Related Literature** 23-53

- Studies Conducted on Vocational Aspiration 24
- Studies Conducted on Achievement-concept 40

## CHAPTER - III

**Method and Procedure** 54-87

- The Population 54
- The Sample 57
- Variables Involved 57
- Tools Used 60
- Measurement of Intelligence 60
- Administration of Group Intelligence test of Bureau of Psychology 14+ Allahabad 61
- Scoring of the Test 61
- Measurement of Achievement-concept 61
- Construction of a Scale to Measure Achievement-concept 62
CHAPTER IV

The Data: Its Analysis and Findings

Matching the Students on the Basis of I.Q. Achievement-concepts

Comparison of Scheduled and non-scheduled Cast Students on Achievement-concepts

Mean, S.D. and Critical Ratio (r) of the Scheduled and Non-scheduled Caste Students on Achievement-concept Scores

Student's Father's Academic Attainments and Achievement-concept of Students

Student's Father's Profession and Income

Educational Aspiration of Scheduled and Non-scheduled Caste Students

Relationship Between the Achievements concepts and Vocational Aspiration of Scheduled and Non-scheduled Caste Students
Vocational Aspirations of Scheduled and Non-scheduled Caste Students
Reasons for Aspiring the Particular Vocation Relationship Between Achievement-concept and Vocational Aspiration of Scheduled and Non-scheduled Caste Students
Vocational Aspirations with Regard to Student's Interest in Particular Subjects
Relationship Between Educational Aspiration and Vocation Aspiration of Scheduled and Non-scheduled Caste Students
Relationship Between Father's Educational Attainment and Students' Vocational Aspirations Father's Occupation and Students' Vocational Aspirations
The Parent's Monthly Income and Vocational Aspiration of scheduled and Non-scheduled Caste Students Hobbies and Vocational Aspiration of Scheduled and Non-scheduled Caste Students Summary of the Findings

CHAPTER - V

Implication and Suggestion for Further Study

Implication for the Government Implication for the Teachers Implication for Guidance Workers Implication Pertaining to Education Suggestion for Further Research

CHAPTER - VI

Summary and Conclusion

Appendices:

Appendix - A: Supplementary Bibliography
Appendix - B: Tools

1. Statements - Collecting Form
2. Group Intelligence Test of Bureau of Psychology 14th, Allahabad
3. Achievement-concept-scale
4. Questionnaire
5. Correlation - to find out the validity of the Achievement-concept-scale
6. Correlation - to find out the reliability of the Achievement-concept-scale
7. Correlation - to find out relationship between achievement-concepts and vocational aspiration of scheduled caste students
8. Correlation to find out the relationship between achievement-concepts and vocational aspiration of non-scheduled caste students.
