

List of Tables

Title	Page No.
Table 3.1 List of Revenue Villages	41
Table 3.2 List of Identified Encroached Villages in and around the Sanctuary	41
Table 4.1: Land-use / Land-cover Classification (1960-2005)	51
Table 4.2: Change in Land-use/land-cover during 1960-2005	52
Table 5.1:Description of Soil Sampling Site	60
Table 5.2: Soil texture and colour in different land-use	64
Table 5.3: Season wise mean and standard deviation of soil quality parameters for different land-cover (2015)	65
Table 5.4: Correlation Matrix of the Soil Quality parameters	73
Table 6.1: Description of water Sampling Sites	78
Table 6.2: Seasonal mean of Physical Water Quality Parameters at Different Site for River Gelgeli, Belseri and Gabru (2013, 2014 & 2015)	90
Table 6.3: Seasonal Mean for Chemical Parameters for rivers Gelgeli, Belseri and Gabru (2013, 2014 &2015)	93-94
Table 6.4: Seasonal mean and standard deviation of Total Coliform and Faecal Coliform (2013, 2014 & 2015)	112
Table 6.5: Correlations Matrix of Different Physico-Chemical Parameters	115
Table 6.6: WQI and corresponding water quality status	116
Table 6.7: Standard values of water quality parameters and their corresponding standard values and unit weights	117

Table 6.8 (a): WnQn for River Gelgeli at Location W1	118
Table 6.8 (b): WnQn for River Gelgeli at Location W2	118
Table 6.8 (c): WnQn for River Gelgeli at Location W3	119
Table 6.9(a): WnQn for River Belseri at Location W4	119
Table 6.9(b): WnQn for River Belseri at Location W5	120
Table 6.9(c): WnQn for River Belseri at Location W6	120
Table 6.10 (a): WnQn for River Gabru at Location W7	121
Table 6.10 (b): WnQn for River Gabru at Location W8	121
Table 6.10 (c): WnQn for River Gabru at Location W9	122
Table 6.11: Seasonal variation of WQI	123
Table 6.12: Criteria for WQI by PCBA	125
Table 6.13: Water Quality Index (WQI) calculation as given by PCBA	125
Table 7.1: Relative Density, Relative Frequency, Relative Dominance and IVI for Tree Species	133-134
Table.7.2: Showing Tree Species with their Family	135-136
Table 7.3: Family with Density, Basal Area and FIV	136-137
Table 7.4: Tree species with Family, Density and Basal Area	137-138
Table 8.1: Respondents age groups	151
Table 8.2: Village wise households, family size and Population	152
Table 8.3: Residing period of People	153
Table 8.4: Type of houses in different villages	156
Table 8.5: Type of Toilet Facilities	157

Table 8.6: School in different village	158
Table 8.7: Education Qualification of the Respondent	159
Table 8.8: Source of Income (%)	160
Table 8.9: Monthly Average Income	162
Table 8.10: Livestock in the Villages	163
Table 8.11: Source of Drinking Water	164
Table 8.12: Source of fuel for cooking	166
Table 8.13: Showing source of energy	167
Table 8.14: Showing the % of Grazing in the Villages	169
Table 8.15: Perception towards Poaching	171
Table 8.16: Perception of Illegal logging	172
Table 9.1: Change in land use due to river channel migration during 1960s-2005	188
Table 10.1: Incidence of Man-Elephant Conflict and Affected households in the Encroached and Fringe Villages in and around the Sanctuary	226
Table 10.2: Affected Household in Revenue Villages	227
