ACKNOWLEDGEMENT

It is a matter of great privilege and honour for me to express my esteemed gratitude and unforgettable indebtedness to my reverend supervisor, Prof. J. K. Verma, Department of English Studies, Dayalbagh Educational Institute, Dayalbagh, Agra; but for his valuable guidance, scholarly supervision, constructive criticism, inestimable help and constant encouragement, this work of research would not have seen the light of the day.

I feel immensely thankful to Prof. S.K. Chauhan, Head, Department of English Studies, Dayalbagh Educational Institute, Dayalbagh, Agra for his inspirative attitude and noble concern for the completion of my work. Simultaneously; I implore my feelings of profound gratitude to Dr. V. Prem Lata, Associate Professor, Department of English Studies, Dayalbagh Educational Institute, Dayalbagh, Agra for her wise counsel so generously imparted to me at each time of my utmost need which helped me, to a great extent, in moulding this piece of research work in its fine shape.

I shall be failing in my duties if I do not express my whole-hearted gratitude to Dr. R. N. Singh, former Principal and Head, Department of English, R. B. S. College, Agra, who has been, from the very beginning, my source of encouragement for taking up this arduous work of research in my hand.

Words would never be able to fathom the depth of my feelings for my dear father, Dr. B. N. Chaudhary, Associate Professor, Department of English, K. K. P. G. College, Etawah and my beloved mother, Mrs. Sarvesh Chaudhary, who have always inspired me to march ahead on the path of progress.
My heartiest thanks to all the officials of libraries at Dayalbagh Educational Institute, Dayalbagh, Agra, Dr. Bheemrao Ambedkar University, Agra, Aligarh Muslim University, Aligarh, IIT Kanpur, CSJM University, Kanpur, Banaras Hindu University, Banaras, Jawaharlal Nehru University, Delhi, Sahitya Akademi, Delhi, Sangeet Natak Akademi, Delhi, and National School of Drama, Delhi for permitting me to consult the books and collect the required material for this project.

I would also like to acknowledge my thanks to my siblings, all the well-wishers and friends who have always been affectionately encouraging me and supporting me throughout my work of research.

Finally, I owe my deep-hearted gratitude to the Almighty for His kind compassionate blessings and grace; without which it would not have been possible for me to perceive my dream coming into the world of reality.
