Acknowledgement

To begin each task, with the name of God, certainly brings about the sweet fruits of success. With deep devotion I thank almighty God for blessing me with desire, intention, inclination, will, ability, guidance, hope, help and achievement of the required goals.

I feel highly obligated and pay my utmost respect from the depth of my heart to my most respected guide Ch. A.K. Singh, Reader Botany, K.S. Saket P.G. College, Ayodhya, Faizabad (U.P.), under whose talented, enthusiastic and realistic guidance the entire investigations were done.

I am extremely grateful to Dr. S.R. Agarwal (Ex-HOD and Principal) and Dr. B.D. Singh, Reader and Head, Botany, K.S.S. P.G. College, Ayodhya, Faizabad (U.P.) for their, inspiration and encouragement during the period of present investigation.

I convey my sincere thanks to Dr. H.N. Ojha, Lecturer Biology, M.L.M.L. Inter College, Faizabad and Mr. Vijay Singh for their specific help, proficient guidance and fervid interest throughout the period of present research work.

I feel it is my duty to express deep sense of gratitude to my parents and family members, Father Sri J.P. Shukla, Mother Smt. Shanti Devi Shukla, Sister Manjisha Shukla, Father-in-Law and
Mother-in-Law who have sacrificed a lot for my higher education and happiness.

I offer my deepest gratitude to my wife Smt. Anita Shukla and my daughter Pawni Shukla who were very supportive and understanding during the completion of my work.

I am also thankful to Mr. Shailendra Kumar, Kumar Computers, Ayodhya for typing the manuscript of the thesis.

Lastly, I thanks to those who help me by various ways in carrying out my research work and whose names are not mentioned here.
