Acknowledgement

All prayers to the God Almighty who gave me the wisdom and physical ability to complete this work.

I am immensely pleased to acknowledge and extend my deepest gratitude to all those who have been a part of this endeavor. First and foremost I would like to express my sincere gratitude to my esteemed Supervisor, Dr. Gladston Raj S, Head, Department of Computer Science, Government College, Nedumangad, Trivandrum, Kerala for his continuous support and constant motivation in achieving targets throughout the research. I am highly indebted to his valuable guidance, patience, dedication and untiring perseverance that inspired me to thrive for excellence and helped me to finish this work within the stipulated time. It is a real honour and privilege to be associated with an amazing supervisor like him during my research.

I owe my profound gratitude to Dr. Kumudha Raimond, Professor, School of Computer Science, Karunya Institute of Technology and Sciences, Karunya University, Coimbatore for her inspiring words, moral support and blessings throughout the journey.

I am grateful to Dr. Anuj Mohamed, Head & Associate Professor, School of Computer Sciences, Mahatma Gandhi University, Kottayam, Kerala for her suggestions and support.

I am very much thankful to Dr. Vijaya Kumar, Professor, School of Computer Sciences, Mahatma Gandhi University, Kottayam, Kerala for his moral support and valuable suggestions.

A special thanks to my close friends and fellow research scholars Leena C Sekhar and Terry Jacob Mathew for always being there as a source of support, encouragement and motivation during the research period. Thanks a million; words would be less to thank you enough for all that you both have done.
I would like to acknowledge Rahul Shajan and Nikesh P, my friends and fellow researchers, separately, for being helpful, kind and supportive.

My special word of thanks also extends to my fellow research scholars Dr. Juby Mathew, Jina Varghese, Anil K.R, Kanchana.J and Retish Kumar for all of their time and help.

I express my heartfelt thanks to all the part-time research scholars, teaching and non-teaching staffs of School of Computer Sciences, Mahatma Gandhi University, Kottayam, Kerala for their innumerable help.

Finally, I would like to thank each and every one who directly or indirectly have been a source of encouragement and contributed their part to make this work successful.

Hima Suresh
