ACKNOWLEDGEMENT

First of all I would like to give my thanks to almighty God as without his mercy accomplishment of my research work and preparation of this manuscript would have not been possible.

I deem it to be my proud privilege to express my deep hearty sincere and respectful gratitude to my noble supervisor Dr. Ram Lakhan Pal, Reader Department of Agricultural Chemistry, Kulbhaskar Ashram Post Graduate College Allahabad (U.P.) for his most encouraging inspiring, talented and enlightening guidance, Valuable suggestion untiring supervision and constructive criticism throughout the course of the present investigation and preparation of this manuscript.

I am equally indebted to Dr. Jyoti Shankar Srivastava, Principal Kulbhaskar Ashram P.G. College Allahabad Dean faculty of Agricultural C.S.J.M. University, Kanpur for their valuable suggestions and help during the period.

I am highly grateful to Dr. Lal Singh Nirankari (Ex. Dean C.S.J.M. University Kanpur) and Dr. S.K. Tripathi K.A.P.G.
College, Allahabad for their help and suggestions during this study.

I am feeling scarcity of words to express my sense of emotions and indebtedness to my revered parent's Mr. Parashuram Pal, Smt. Ram Shri Pal and Smt. Gayatri Pal for their cooperation, blessing and continued moral encouragement which has always been a source of inspiration to me in all sphere of life.

I am also thankful my friends Mr. Ravind Kumar Saini, Keshav Dayal Tiwari, Indrajeet Singh, Rajesh Kumar Pal, Rajesh Kumar, Shatrughan, Ram Ratan, Pulastya Pal, Yashagra, Anuradha Pal, Alankrita Pal for the help during this study.

My sincere and heartiest thanks to my dearest wife Smt. Ram Kumari Pal and lovely Son Arun Kumar Pal and daughter Smt. Madhvipal for their everlasting inspiration, moral encouragement, constant help and positive attitude during the course of this investigation.
