ACKNOWLEDGEMENT

In the praise of Almighty God who bestowed his blessings upon me and gave me the strength to complete this work in time.

Before closing the brief preface I must place on record my gratitude to several individuals and institutions that gracefully co-operated me in completing my research work. At prima facie I express my deep sense of gratitude to my supervisor Dr. Onkar Nath Upadhyay, Associate Professor, Dept. of English and Modern European Languages, Lucknow University, Lucknow for his kindness, considerateness and ungrudging readiness to guide me unconditionally. I am deeply influenced by Dr. H.N.Mishra who inspired and helped me in this auspicious but cumbersome task. Among institutions I am grateful to the Librarian, Vivekanand library, Jaunpur, Sayaji Rao Gayakwad Library, B.H.U, Varanasi, National library, Calcutta, British Council Library, Lucknow, Central Institute of English and Foreign Language, Hyderabad, and other agencies for supplying and lending me books and journals related to the subject dealt with.

Above all I cannot forget to mention the contribution of my parents Sh. Ashok Kumar Dubey and Smt. Pushpa Dubey who not only have transplanted but also formed and formulated my career up to this level. The contribution of my father-in-law Sh. Vijay Kumar Dubey and my mother-in-law Smt. Urmila Dubey are worth recording in all respects. Especially, I am grateful to my husband, Mr. Shivam Dubey for his cooperation and assistance in all respects unconditionally. Needless to mention the contribution of my daughter, Neelakshi whose innocent and ever smiling face and chatting remove all my tensions and turmoil’s during the most crucial juncture. Mr. Ramesh Tripathi deserves my thanks for his whole hearted co-operation and unassuming patience in completing the thesis. Without his co-operation and ceaseless efforts the work can never be materialized.
While I am benefited from the advice and encouragement of my teachers, colleagues, family members, friends and officials in formulating my ideas, I must confess that whatever mistakes and errors there might be in the thesis, are my own and that I alone am responsible for them.
