Pratap Bahadur Degree College
Pratapgarh City, Pratapgarh
University of Avadh, Faizabad

Presented by
Ashok Kumar Pandey
M. Sc.

AVADH UNIVERSITY FAIZABAD
1987
"Frontiers are the chief anxiety of nearly, every Foreign Office in the civilized world, and are the subject of four out of five political treaties or conventions that are now concluded...

Frontier policy is of the first practical importance, and has a more profound effect upon the peace or warfare of nations than any other factor, political or economic."

- LORD CURZON
