

## ACKNOWLEDGEMENT

I thank **God** for blessing me with the stamina and determination to carry out the research process.

First and foremost, I place my heartfelt gratitude to my research supervisor **Dr. V. Palanisamy**, Ph.D, Principal, Info Institute of Engineering, Coimbatore for his support and insightful suggestions. Without his guidance and persistent help, this thesis would not have been possible.

I express my sincere thanks to the Doctoral Committee members **Dr. Elwin Chandramoni**, Ph.D, Principal, RMK Engineering College, Chennai and **Dr. S. Annadurai**, Ph.D, Principal, Krishna College of Engineering for their valuable suggestions during this work.

I would like to put on record the contributions of my friends who helped during this period of my life.

I convey my special thanks to **my family members** for their patience, coping up with my absence and caring me during this research process.
