PREFACE

Overall corporate purpose of setting up IDBI was to propel the wheels of industrial sector to achieve maximum growth by eliminating the gaps in the capital market and supplying the sinews of development to all the Financial Agencies engaged in the work. Keeping the purpose in mind the Bank set the objective of providing financial as well as non financial support at reasonable cost to all the deserving projects belonging to industries of national importance and spread over different regions of the country.

To achieve this objective the IDBI performs the functions of coordinating, financing and promoting industrial development. We have in the preset work saw how the IDBI carries on its operational policies to perform its functions effectively and in the best interest of the Industrial Development of the country.

In this research task various human beings and organizations have lent me their whole hearted co-operation. Without their motivation, inspiration and guidance the thesis could not have seen the light of the day. First and foremost, I extend my heartiest thanks to Hon'ble Dr. R.R. Azad, Principal of J.V. Jain (PG) College,
Saharanpur, who enrolled me as a research scholar and allowed me to work under the able supervision of Dr. Pankaj Gupta.

I am thankful to my supervisor Dr. Pankaj Gupta, Reader, J.V. Jain (PG) College, Saharanpur for providing me necessary guidance to complete the work on the project at every stage.

I offer my sincere thanks to Dr. J.D.Jain, Retired Reader, Deptt. of Commerce, J.V. Jain (PG) College, Saharanpur, who has helped me immensely by discussing the subject matter at length, without his guidance I couldn’t have completed my work and also my heartiest thanks to Dr. A.K. Jain, Reader, J.V. Jain (PG) College, Saharanpur for providing me his valuable guidance and suggestions.

I owe my thanks to the authors and publishers of various books, magazines and journals, a list of which is given in the bibliography at the end, which I made use of to complete my work. The cooperation of the library staff has been exemplary.

I am extremely grateful to my father-in-law, Sh. Sumat Pd. Jain, my father Mr. Pushpendra Kumar Jain, Retd. Railway Engineer, and my mother Mrs. Mani Prabha Jain who have been the continuous source of motivation and encouragement throughout my studies, and have been a pillar of strength to me in achieving my
objective. My loving thanks to my little daughters Miss Ahinsa, Aishwarya and Stuti, for their innocent support and full cooperation during the course of my research work.

I am equally thankful to my brother Mr. Manish Jain and my sisters Smt. Sonu Jain and Smt. Meetu Jain who always gave me moral support and their faith in me. I would be failing in my duty if I don’t mention here about the valuable support and help of my friends especially Mr. Manoj Jain who encouraged and gave me continuous support and full co-operation to take up this research work. I owe my thanks to Mr. Ajit Sharma, who typed out my Thesis so nicely and helped me in preparing different graphs and diagrams given in the research work.

Finally, I offer my thanks to the man who has played the most important role in the completion of this research. All of this would not have been possible without the support of my worthy husband Mr. Deepak Jain, who showed his confidence and faith in me. He provided me emotional, financial and moral support and helped me with his valuable suggestions time to time. I also offer my thanks to all my well wishers, friends and relatives who lent a helping hand.

(Mrs. Belu Jain)
