Acknowledgement

On completion of my research work on “Antifungal antibacterial and insect repellent chemical molecules of Ocimum sanctum L.”, as I proceed to express my gratitude to all those who have helped me in this endeavor, the name which stands first and foremost in my mind is of my learned guide, Dr. S.C. Dhiman, Entomologist, Department of Zoology, M.S. (PG) College, Saharanpur. It is my privilege to express my sincerest regards to him for his valuable inputs, able guidance, encouragement and support from the initial to the final level enabled me to develop an understanding of the subject.

I am heartily thankful to my supervisor, Dr. Poonam Tyagi, Department of Chemistry, M. S. (PG) College Saharanpur, whose encouragement, motivation, whole-hearted cooperation and constructive criticism throughout the duration of research helped me to complete thesis uphill task.

The principal, the head of Chemistry and the head of Zoology department of the aforesaid institute had very kindly placed at my disposal all the available laboratory and library facilities. Without their support my task would have become impossible. I pay my greatful thanks to them. I am also thankful to the Zoology and Chemistry Laboratory staff members Mr. Satesh kumar and Mr. Pritam Singh.

I express my heartiest thanks and indebtedness to Mr. Asvene Sharma, IFB-MRL, SRE, for his able guidance, keen interest, constructive criticism, useful suggestions, and constant encouragement during the period
of my research. He provides me all facilities of his biotech laboratory for experiment purpose at my disposal.

I am indebted to FRI, Deharadun and IARI, New Delhi to provide me library facilities and to ICT, Hyderabad for helping me in various ways.

I am thankful to all the my senior scholars Dr Parvesh Kumar, Dr (Smt.) Kumkum and Miss Shalu and My Juniors Garima Gupta, Shilpi Jain and Deepak Kumar with whom I share tons of fond memories. I would like to acknowledge their support and encouragement provided to sort of juncture me.

Finally, this thesis would not have been possible without the confidence, endurance and support of my family. My family has always been a source of inspiration and encouragement. I wish to thank my parents, Shri Vijay Pal and Smt. Raj Bala, whose love, teachings and support have brought me this far. I wish to thank my younger brothers Neeraj and Ankush and sister Bharti for their affection, understanding and patience.

I am thankful to Mr. Sachin kumar who transform the research photographs in presentable shapes.

I am grateful to my loving friends for their precious cooperation and encouragement during my research work.

Lalit kumar
