Acknowledgement

It gives me great pleasure to express my profound sense of gratitude to my supervisor Prof. Anita Gopesh, Department of Zoology, University of Allahabad, Allahabad, for her keen interest, valuable guidance, careful supervision, untiring support and constant encouragement during the course of investigation and going through the entire manuscript critically, without which it would not have been possible to complete this paramount task.

I am also extremely thankful to Prof. Pratima Gaur, Ex-Head, and Prof. Vijay Krishna, Head, Department of Zoology, University of Allahabad, Allahabad for providing facilities for the successful completion of this work. I sincerely wish to thank all the teachers of the Department of Zoology, University of Allahabad for their help and support at different stages of the work.

I would like to thank my research colleagues; Dr. Prashant Chauhan, Dr. Shaily Tiwari, Mr. Atul Trivedi, Dr. Ravindra Kumar Pathak, Dr. Sippy Singh, Dr. Durgesh Singh, Dr. Parul Gaur, Ms. Sarita Tripathi, Ms. Akansha Tripathi, Mr. Akash Verma and Mr. Anil Ojha for their constant help and moral support.

I wish to express my gratitude to Prof. Shanti Sundarum, Head, Centre of Biotechnology, University of Allahabad, Allahabad, for her help and guidance during the tenure of this work.
I feel extremely grateful to Dr. Vindhya Mohindra, Senior Scientist, Division of Biochemistry, NBFRG, Lucknow, for her valuable suggestions and help in the work.

I am indebted to my father Late Lal Ji Yadav and my mother Mrs. Anar Kali with whose blessing I could complete the work. My sincere thanks are also due to my wife Dr. Anshu Bala but for her love and support I would have not achieved success in completing this task.

Last but not least, I am deeply thankful to my family members, elder brother Shri Sanjay Yadav, younger brother Suneel Yadav, sisters Gayatri Yadav, Savitri Yadav, Seema Yadav and Nisha Yadav for their everlasting love and support throughout the endeavour.
