ACKNOWLEDGEMENT

During the course of my research study, I received extensive help and assistance regarding guidance, suggestions, advices, and comments on my works from many individuals. At the very outset, I express my deepest gratitude as well as thanks to my supervisor Prof. Amitava Mitra, Department of Economics, Rajiv Gandhi University for his invaluable guidance motivating me during the entire stretch of my research work. I must confess that the study has gained enormously from his wise counsel and sound judgement. Despite his numerous busy schedules in the Department and as the Director of Internal Quality Assurance Cell, as well as the Acting Finance Officer of the university, he always found time to dwelt on the intricacies of my research and offered valuable advice at all critical junctures. I will always remain grateful to him for showing a night path when I faced a state of dilemma in my research career.

I am thankful to other faculty members of the Department of Economics, Rajiv Gandhi University for their valuable suggestions upon my research work. The suggestions of Prof. S.K. Nayak, Head, Department of Economics, Prof. N.C. Roy, Prof. Vandana Upadhyay, during my pre submission seminar are a source of inspiration for me to endeavour for further research. I am very much thankful to Dr. Lijum Nochi, Department of Economics, for his inspiration and valuable help by providing accommodation in the campus during the last part of my research work. I am also thankful to Dr. M. Lama, Mr. Prasenjit Bujar Baruah, Dr. Anup Das, Department of Economics, for their advice and suggestions. I am obliged to acknowledge the help and co-operation received from Mr. Dil Bahadur Gurung, Mr. Biman Kr. Nath, Mr. Debajit Bhuyan, Mr. Bhoirabjyoti Kunch, Mr. Tangam Dabi and others during my research study as well as for the submission of final thesis.

It will give me immense pleasure to acknowledge the officials and staff members of different institutions as well as libraries of Rajiv Gandhi University Library, State Library, Itanagar, Arunachal Pradesh State Assembly Library, Naharlagun, Krishna Kanta Handique Library, Gauhati University, Guwahati,
Omeo Kumar Das Institute of Social Change and Development, Guwahati, NEHU Central Library, Shillong, Meghalaya, Gujarat Institute of Development Research, Ahmadabad, Gujarat, Indira Gandhi Institute of Development Research, Mumbai, Maharashtra, National Institute of Industrial Engineering Library, Mumbai etc.

There are people, other than those mentioned above who have helped me more than ways to pursue the research work. Their sacrifices and timely helps meant a lot to me. My family members particularly my parents, have always been a support and encouragement for me. I am thankful for their support and encouragement. I am really grateful to my wife Krishna Nath for her continuous inspiration and encouragement and the pains she spared and helped me to complete this research work. I also acknowledge my son Aditya Debnath as he has been the silent source of inspiration and deserve special accolade since he had to bear maximum pain in my absence. Lastly I am thankful to all of my friends, well wishers who always inspired and support me for the research. Certainly the work would not have been completed without their help and support.
