What thanks, O Lord, can I render Thee, for all the gifts Thou hast showered on me!!

When I think of the countless blessings God has showered on me through my sisters, parents, relatives, friends, teachers, colleagues and students, my heart glows with love and gratitude. No words can adequately express the sense of gratitude, still I try to express my heartfelt thanks through words.

At the outset, I will be forever indebted to my research supervisor Dr. Germina K. A., Head of the Department of Mathematics, Mary Matha Arts and Science College, Mananthavady, for her invaluable guidance, unfailing availability, amazing generosity, loving encouragement and endless patience towards me throughout my research career. The stimulating discussions I had with my research supervisor had helped me to evolve new and different approaches.

I express my deep sense of gratitude to Dr. B. D. Acharya, F. N. A. Sc., Former scientist G (adviser), Ministry of Science and Technology, Government of India, who has been a source of inspiration to do this research work. I am very grateful to him for sparing his valuable time for discussions and suggestions so as to improve the quality of my research.

It is my pleasure to acknowledge the support and facilities provided to me by the Research center, Mananthavady (Kannur University) and all the officials at Kannur University.

I can never forget the support and encouragement rendered by the Patron of the college, management, the Principal, office bearers and
the staff of Mary Matha Arts and Science College, Mananthavady.

My colleagues in the research center have also been extremely co-operative and helpful to me. I have great pleasure to thank them all for their support to complete this work.

During my research, I have been supported, strengthened and encouraged by my Sister Provincial, Sr.Little Tresa.S.H., sisters of Nirmala Province, Sacred Heart Congregation, Mananthavady and my colleagues at Nirmala Bhavan, Koothuparamba. I gratefully acknowledge the love, and care given to me by them.

I wish to acknowledge my immeasurable debt to my close relatives and friends for their love and understanding. I could not name many who sincerely supported and helped for the successful completion of this thesis. It is my pleasure and duty to thank each and every one of them who walked with me.

I would like to express my deep sense of gratitude to Department of Science and Technology, Government of India for providing financial assistance vide. Project no. SR/S4/MS:277/06.

I realize that I owe the most to God Almighty and the rest to my supervisor, superiors, friends, colleagues and well wishers for timely support, prompt guidance and inspiring grace to move along the scholar’s path and reach the destination.
