

Declaration

I hereby declare that the thesis entitled “ **Isolation, purification and crystal structure analysis of a new lectin from *Spatholobus parviflorus***” is an authentic record of the research work carried out by me under the supervision of Dr. M. Haridas, Professor and Head, Department of Biotechnology and Microbiology, Kannur University, Thalassery Campus. No part of this thesis has been presented for any other degree or diploma earlier.

Geethanandan. K
