CHAPTER - VI

ACHIEVEMENT AT STATE AND DISTRICT LEVEL

The establishment of 19 regional and 42 local branches of the Institute at different places of the country is mainly directed towards arranging periodic public lectures, seminars, workshops and training programmes in furtherance of its activities. These branches provide for an exchange of ideas on current trends and practices in public administration to public servants, academicians, students and the IIPA members. Since 1997, one faculty member has been associated with each of the regional branches to help it in organizing at least one training programme, one seminar/conference/colloquium/workshop and one research study/case study each year. A meeting of the office bearers of regional and local branches is held every year in the month of October at TWA, which is presided over by Director of the Institute. A total sum of Rs. 10,42,493 was released to the branches during the year 2001-2002 as financial assistance for organizing different academic activities. A research grant of Rs. 3.15 lakh was released to nine regional branches and five local branches out of plan funds for undertaking research projects.¹

The year under review saw the formation of Burdwoan Nasik, cunddalore and Tiraupattur local Branches. The activities at the state and District level were reviewed by an advisory committee constituted by the executive council. A senior faculty member, designated as coordinator to against in the activities.²

The Branches from Academic point of View, continued to provide active help to the Branches. A special mention needs to made of the Regional Branches which have been quite active and conducted a number of Programmes during the year, viz, Bihar, Delhi, Jammu and Kashmir, Karnataka, Kerela, Maharashtra, Orissa, Rajasthan, Tamilnadu and Utttar Pradesh. The state and district Level Branches Continued to make progress and some of the branches have done extremely well and strengthened their activities such as:³
