ACKNOWLEDGEMENTS

I express my deep feelings of gratitude to my Supervisor respected Dr. M. Madhavi Latha, Professor and Director-ITC, JNTUH, Hyderabad, who generated in me a willpower to undertake this work, and took me under her highly experienced wings to guide, inspire and encourage to complete this work. It is only because of her constant encouragement, able guidance and deep knowledge of the subject, this thesis could see the light of the day.

I would like to express my deep felt gratitude for my Co-Supervisor Dr. Habibulla Khan, Professor and Dean (SA), Department of Electronics and Communication Engineering, K L University for his constant encouragement and eminent guidance during the course of this work.

My everlasting gratitude goes to Dr. K. Raja Sekhara Rao, Professor and Dean (Admin), Dr. N. Rangaiah, Registrar, and Prof. N. Venkatram, Professor and Head, K L University for their continuous encouragement and support.

I would like to thank Doctorial Committee Members Dr. S. Lakshmi Narayana, Professor and Chairman, Dr. K. Ramesh, Professor and member and Dr. Venkat Ratnam, Professor and Member, for their valuable guidance and encouragement throughout the reviews.

I am happy in expressing my heartfelt gratitude to Er. Koneru Satyanarayana, President, K L University, Dr. R. Sri Hari Rao, Vice-Chancellor and Dr. L. S. S. Reddy, Pro-Vice Chancellor, K L University for their continuous encouragement and providing facilities to conduct my research work.

I express my deep sense of love to my parents Sri M. S. Pushpa Raj and Smt. M. M. Swarna Kumari, my wife Smt. Sasi Kala, my children and all my family members whose support is immeasurable in successful completion of my work.

I am very much grateful to Dr. M. Satya Sai Ram and Smt. D. Aruna Kumari, for their technical guidance, valuable contributions and stimulating discussions that were held throughout the research program and for their timely help rendered during the execution of the work.
My Special Thanks to my colleagues Dr. B. Raghu Kumar and Mr. P. Shyam Sundar for their help during the various stages of my research work.

Finally, I would like to thank all my friends, well wishers, faculty members of ECM department and all the researchers whose valuable inputs have helped me in carrying out this work.
