ACKNOWLEDGEMENT

Happiness is the real sense of fulfillment that comes from hard work. It is not possible to express my profound gratitude in words, to my research guide Dr. (Mrs.) R. S. Salunkhe, Associate Professor, Department of Chemistry, Shivaji University, Kolhapur, for her most competent and foreseeing guidance coupled with incessant encouragement at all phases of this work. Her involvement in the minutest of the details has given this thesis in the present form. It gives me immense pleasure to express my deep sense of gratitude and indebtedness to my research guide.

The successful scientific developments depend upon the leadership. I owe lot to the university authorities of Shivaji University and Honorable Vice Chancellor, Prof. N. J. Pawar and Prof. M. M. Salunkhe (Ex. V. C.) for the inspiration to achieve excellence at Department of Chemistry.

I am very much thankful to Prof. S. R. Patil, Head, Department of Chemistry, Shivaji University, Kolhapur and Prof. M. B. Deshmukh, Head, Department of Agrochemical and Pest Management, Shivaji University, Kolhapur and Prof. P. P. Hankare, Former Head. Department of Chemistry providing facilities to carry out the experiment and complete this work.

It is my great pleasure to sincerely thank Prof. (Dr.) P. N. Bhosale, Co-Ordinator, Applied Chemistry, for availing facilities to carry out the experiments with fruitful discussions and constant encouragement in every phase of this work.

I am very much thankful to, Prof. M. A. Anuse, Prof. G. S. Gokavi, Dr. U. V. Desai, Dr. D. M. Pore, Dr. G. S. Rashinkar, Dr. P. V. Anbhule, Dr. S. S. Kolekar, Dr. G. B. Kolekar, Dr. K. M. Garadkar, Dr. S. S. Chavan, Dr. D. H. Dagade, Dr. D. S. Bhave, Dr. S. A. Sankpal and Dr. P. S. Patil (Co-ordinator, Department of Nanotechnology, SUK) for fruitful discussion and valuable suggestions during the course of the work which made me highly confident.

I must acknowledge my sincere thanks to the University Grants Commission, New Delhi, India for awarding Meritorious Junior Research Fellowship (JRF). I am very much thankful to Shivaji University authority for giving me an opportunity to work as Assistant Professor in the Department of Applied Chemistry.

I take this opportunity to thank the staff member of USIC and CFC for their kind assistance in providing characterization facilities. I also extend my thanks to
non-teaching staff members of the chemistry department for their co-operation during my research work.

I am also grateful to my research colleagues Dr. P. R. Salokhe, Mr. A. S. Kumbhar, Dr. R. M. Mane, Mr. S. B. Pore, Mr. A. Suryavanshi, Mr. Ananda Mane, Dr. Kavita Mote, Miss. Madhuri Barge, Miss.
