ACKNOWLEDGEMENT

I record my deepest sense of gratitude to my Guide, Dr. S. S. Kolekar, for his persistent inspiration, keen interest, expert guidance and whole hearted help throughout the course of this investigation and during the preparation of the thesis.

I am extremely obliged to thank Prof. N. J. Pawar, Hon’ble Vice-Chancellor, Shivaji University, Kolhapur, to Prof. M. A. Anuse, Head, Department of Chemistry, Shivaji University, Kolhapur, for providing necessary facilities and encouragement.

I am thankful to Prof. P. N. Bhosale, Prof. P. P. Hankare, Prof. M. B. Deshmukh, Dr. (Mrs) R. S. Salunkhe, Prof. G. S. Gokavi, Prof. B. S. Mohite, Dr. G. B. Kolekar, Dr. P. V. Anbhule, Dr. K. M. Garadkar, Prof. S. R. Patil, Dr. G. S. Rashinkar, Dr. D. H. Dagade, Dr. D. S. Bange, Dr. S. A. Sankpal for their keen interest and encouragement during the research period.

My deep gratitude to Dr. Anand Gole and Dr. Sumant Phadtare from TATA Chemical Innovation centre, Pune especially for their valuable suggestions and wise counseling to write scientifically.

I sincerely admit the help and co-operation by non-teaching staff of the Department of Chemistry, Shivaji University, Kolhapur.

I would like to thank UGC and DST for providing me financial assistance in the form of meritorious fellowship.

I am glad to have shared experiences with my friends Tarannum, Swati, Sarita, Deepti, Ashwini, Asmita, Archana, Dipali, Supriya. It has been quite interesting to work with people from several specializations and to think about how to build a cleaner Environment.

The period of course becomes fun and enjoyable due to my research group. I am very much thankful to my all colleagues.

I would like to extend my thanks to my classmates, seniors and juniors Rohant Dhabbe, Nagnath Patil, Balaji Kharade, Anand Kudale, Nitin Patil, Bhausaheb Tawade, Mangesh Kaulge, Manik Bhosale, Amol Patil, Anil Gore,
Dipak Gaikwad, Nitin Dhekale, Sudam Pandule, Anil Suryawanshi, Dr. Asabe, Duryodhan Waghmode, Dipak Shinde, Mukund Mali, Netaji Desai, Swapnil Jagtap, Prakash Korke, Abhijeet Kadam, Mahadev and so many friends who helped me during this work.

Lastly, I would like to thank my family members for all their love and support. Words cannot express their constant encouragement, persistent prayers and toil forth in study bearing pains of separation and all inconveniences. This work cannot be possible without the lots of good wishes, love and strong support from my Mother (Mrs. Rekha Patil), Father (Mr. Sambhaji Patil), mother in law (Mrs. Asha Kokate) and father in law (Mr. Ramhari Kokate). They are always behind me in every kind of difficulties I faced. On this occasion, I must remember my late Mama; He is my strong supporter whom I love a lot.

A lot of thanks are reserved to my beloved husband Mangesh; he is my good luck charm, for his constant encouragement and support especially during difficult times to go ahead and forget every sorrow. My special thanks go to my Nephew Rajvardhan, Avanish and Shalvi who keep me cheerful.

The boundless contributions to this investigation cannot be confined to this small acknowledgement. This is the design of The Lord and the fruit of perspiration of all and I am the weakest link in the chain. I remain ever grateful to those who made this venture successful.

All praise to God Almighty for making it possible for me to get this far with regards to my education.

Thank you.

Rupali S. Patil
