JOURNALS PUBLISHED:

3. A.Rajeshkumar and S. Venkatesan, “Review Parameters of Electrochemical Machining for 410B Stainless Steel” (submitted)

CONFERENCE PRESENTATION:

1. “Electrochemical Process on Carbon Fiber Composites” in Advances in Mechanical Sciences held on 27th March 2015 at Mahendra Institute of Technology

2. “Effect of Process Parameters on Surface Roughness in ECM for Carbon fiber composite” in Advances in Mechanical Sciences held on 28th March 2016 at Mahendra Institute of Technology
