ACKNOWLEDGEMENT

First and foremost, I would like to thank Almighty God for giving me the strength and presence of mind to complete the work. I humbly solicit the blessings of Almighty.

My heartfelt indebtedness to my Supervising teacher, Dr. P. J. Jacob, Former Professor & Director, School of Pedagogical Sciences, Former Dean, Member Syndicate and Director of Research, Mahatma Gandhi University, Former Dean & Member Syndicate, Kannur University, Former Dean, University of Kerala and SS University of Sanskrit, Kalady. He has been a tremendous mentor, a guide, a teacher and an advisor of mine throughout the study. The freedom of thought, amiable environment, motivation and above all the parental affection extended to me was of immense help which provided me confidence to complete my study.

I am obliged to Prof. (Dr.) Jaya Jaise, Dean&Head, School of Pedagogical Sciences, Mahatma Gandhi University for providing me facilities and encouragement to carry out my research work.

I am thankful to Prof. Dr. T.V. Thulasidharan, Former Dean & Member Syndicate and Former Director, School of Pedagogical Sciences for his boundless help and encouragement provided during the period of the study. I am also thankful to all the faculty members and administrative staff of School of Pedagogical Sciences for their support during the progress of the study.

I am grateful to Mr. C.D. Shiju Das (Former Librarian), Dr. Ancy Jacob, Librarian of the School of Pedagogical Sciences for their timely assistance during the period of the study.

I express my sincere gratitude to Dr. Sr. Philomina Thomas, Dr. Sr. Grace Rose and Dr. Soosamma George P., Former Principals, and Dr. Pushpa Marian, Principal and all the teachers and staff of Mount Carmel College of Teacher Education for Women, for their constant support, prayers and encouragement throughout the study.

I am extremely thankful to Mrs. Jiby Roy, the Technical Advisor, for her excellent support, which makes this study a success.

I am especially thankful to the Principals, teachers and students of various Higher Secondary Schools for their help and suggestions during the conduct of the experiment and collection of data.

Words cannot express how grateful I am to my family members. The heavenly presence of my father Mr. P. A. Joseph, gave me strength, courage and peace of mind for completing the study. I am grateful to all my family members for their love, support, patience and unconditional support to me all the times. My endless thanks and gratitude to my beloved husband Mr. Tiju Abraham, for his prayers and support to me always.

I also take this opportunity to thank each and every person who has directly or indirectly contributed to my research work.
