

Acknowledgement

I would like to take this opportunity to give my sincere thanks and appreciation to the persons who have been my source of strength and support towards the completion of this work .

First of all, I thank **GOD** who is my main source of strength. Then I would like to give my sincere thanks and appreciation to my Hon'ble guide **Dr. Pravin H. Bhathawala**, Prof.(Retd.) , Department of Mathematics, Veer Narmad South Gujarat University, Surat, for his keen interest , patience, dynamic guidance and personal care during the course of this work. Without his active support and encouragement, this work could not have been completed in the present form.

I would also like to give my special thanks to **Dr. Rashmi R. Keshvani**, Asst. Prof. & DIC, Department of Mathematics, Sarvajanic College of engineering & Technology, Surat, for her interest, active support and encouragement for the completion of this work in the present manner and specially for guiding me about the concerned solution method, the *Green's function method*.

I would also like to thank **Dr. Kaushal B. Patel**, Lecturer, Department of Mathematics, Veer Narmad South Gujarat University, Surat, for all the help he rendered to me, for his willing co-operation, and for providing me the encouraging environment.

I would also like to thank **Department of Mathematics, Veer Narmad South Gujarat University, Surat & Sarvajanik College of Engineering & Technology, Surat** for extending all possible help, encouragement and also extending me their library facilities.

Here, I take this opportunity to thank all my teachers from School, College and University level for taking special interest in developing my individuality and my career. I say a big “Thank You” to all of them as I would have never reached higher faculties of Mathematics without their encouragement and support.

Words are few to express my heartily gratitude to my **parents**, who have been my source of strength in each and every moment, for providing me the leisure and comfort during the course of this work, **My Brother and sister-in-law**, for their motivation and guidance, and all my **Friends**, for their appreciation and spirit of involvement during my research work. Their constant encouragement and support have inspired me to complete my work in present manner.

Apart from these, there are many others who have contributed towards the completion of this work, I would like to thank them all from the bottom of my heart.
