CHAPTER VIII : CONCLUSION AND SUGGESTIONS.
"When the child is empowered by the parents, at various phases of growth, the child transforms into a responsible citizen. When the teacher is empowered with knowledge and experience, good young human beings with value systems take shape. When individual or a team is empowered with technology, transformation to higher potential for achievement is assured. ................. When the women are empowered, society with stability gets assured".

*Dr. A. P. J. Abdul Kalam*
