Acknowledgments

First of all, I would like to thank my teachers Prof. P.N. Pandey, Prof. P.K. Singh, Prof. D.P. Chaudhary and Prof. B. Rai of Allahabad Central University, Allahabad who inspired me for Ph.D degree.

The venture owes a deep depth of gratitude to Prof. T. N. Pandey, Department of Mathematics and Statistics, D. D. U. Gorakhpur University, Gorakhpur. He is a true Guru. He is not only a supervisor but also on an empower of the new idea. His vast knowledge and insight into the subject has always a big support to me. He has given extremely useful guidance during the research process. It was a great fortune for me to have opportunity to do research work under his guidance. He motivated me to do the job with academic excellence in Mathematics. My special thanks to his daughter Ms. Saumya Pandey and wife Prof. (Smt.) Rajkumari Pandey, Principal, D. A. V. P. G. degree College, Gorakhpur for their encouragement, inspirations and support given to me to complete this uphill task. I am deeply obliged for the motherly care given by Smt. Pandey and I shall remain indebted to her forever.

I am very much thankful to Prof. Harisharan, Dean, Faculty of the Science of the University for facilitating my research work.
To Prof. S. K. Srivastava, Head of the Department of Mathematics and Statistics of the University, I am highly grateful for providing me necessary facilities for pursuing my research work and removing administrative bottlenecks.

I am indebted to the pioneer workers in the field of Manifold, Riemannian and Finsler geometry viz. late Prof. M. Matsumoto, late Prof. H. Rund, late Prof. R. S. Mishra, late Prof. B. B. Sinha, Prof. R. B. Mishra, Prof. H. Shimada, Prof. P. L. Antonelli, Prof. R. Miron, Prof. C. Shibata, Prof. S. Numata, Prof. U. P. Singh, Prof. U. C. De, Prof. C. S. Bagawedi, Prof. S. K. Narsimnamurty, Prof. P. N. Pandey, Dr. B. N. Prasad, Prof. Manjusha Majumdar and several other Finslerians whose research papers helped me to get the depth of the subject and to proceed onward in the field. I offer my sincerest thanks to all of them.

I take this opportunity to put on record my sense of gratitude senior teachers Prof. H. S. Sukla, Prof. A. A. Ansari, Prof. R. S. Srivastava, Prof. J. K. Vishwakarma, Prof. R. C. Srivastava, Prof. D. N. Dubey and Prof. J. K. Srivastav from whom I learnt how to search problems for research. I learnt from them while a student. Further, I would also like to thank Prof. V. S. Verma, Prof. Vijay Kumar, Prof. Uma Srivastava, Prof. Himanshu Pandey for their insightful comments and encouragement.

Thanks are due to the teachers namely Dr. Archana Singh Bhadauria, Dr. Julee Srivastava, Dr. Gyanendra Pratap Singh, Dr. Rajesh Pandey, Dr. Rajesh Kumar, Dr. Jitendra Kumar Kushwaha, Dr. Vikas Rana, Dr. Vivek Kumar Sharma assistant professor of the department, Dr. Anil Jaiswal (Associate Professor St. Andrew’s P.G. College, Gorakhpur), Dr. Kirti Jaiswal and Dr. Pradeep Kumar (Assistant Professor D.V.N.P.G. College, Gorakhpur) actively participated in my Pre-Ph.D viva-voce and encourage me to submit the thesis shortly.
Thanks are also due, to non-teaching faculty of and to the ministerial staff of the Department for their willing co-operation and help.

Submitting a thesis requires doing hundred odd things. I want to thank elder researchers namely Dr. V. K. Chaubey and Dr. Arunima Mishra for right suggestions in the need of hour. I am deeply obliged and heartily thankful to my fellow researchers Dr. Asmita Mishra, Dr. Kumar Vineet and Mr. Suraj Kumar Sukla who played a very important role of regular cooperation in my pursuit. They supported me greatly and were always willing to help me.

Heartily gratitude are due to, Principal Smt. Sadhana Kumar and teachers of my college Anil Verma, S.P. Shukla, J.N. Singh, Arvind Prakash Tripathi, Krishna Dev, Anish, Sushil Diwedi, B.P. Nigam and other staff of the college, whenever they met me always queried about the progress of the thesis which stimulated to complete it shortly.

My sincere thanks are due, to my parents Sri Mohan Lal Gupta and Smt. Savitri Devi for their emotional and consistent support in educating me. I am grateful to my elder brother Sri Ramchandra Gupta for constantly encouraging me to complete my research work as soon as possible. My thanks are also due to my father-in-law Late. Sri Hari Lal Umar Vaishya for his help and moral support. I express my thanks to all my family members, relatives and friends for their support and valuable encouragements.

Finally my heartiest thank go to my beloved wife Durgesh Nandini, loving daughters Harshita and Arya for their patience, continuous encouragement, co-operation.

I wish to acknowledge my indebtedness to Dr. Asmita Mishra and Dr. Kumar
Vineet for his help in computer typing, correction and setting the manuscript with care, which resulted in good finish.

Lastly, my thanks are also to my childhood friends Rohit Gupta, Dr. Alok Malviya, Sanjay, Satish Singh, Sunil, Sameer Srivastava, Sheshnath Singh, Dr. Rajesh Singh, Rajeev Singh, Rajesh Upadhyaya, who indirectly helped and encouraged for this uphill task.
