ACKNOWLEDGEMENT

At the very outset, I feel it my humble duty to bow my head in respect to GOD by whose grace I have been able to under take and complete this stupendous task.

I sincerely and with an overwhelming sense of gratitude, acknowledge my warm veneration and thanks to my reverend supervisor, DR. (MRS.) SARITA MISRA, Sr. Lecturer, P.G. Department of Psychology, D.A.V. College, Kanpur for giving me an opportunity to carryout this work under her supervision. She has been an unfailing source of encouragement and inspiration to me to carry out this tough work in easy way. I am thankful to her, for her valuable guidance and concrete suggestions, which enlightened me all the time not only in the period of this investigation but also apart from that too.

I also wish to express my deep sense of indebtedness to my reverend co-supervisor DR. A.K. SRIVASTAVA, Reader and Head (Retd.) P.G. Deptt. of Psychology, D.A.V. College, Kanpur for his most valuable guidance, suggestions, encouragement, kindness, critical evaluation and help in execution of this work at every step, without whom it would have been difficult to complete this work successfully.

I am also thankful to DR. (MRS.) SUSHMA SRIVASTAVA, Reader, Deptt. of B.Ed. V.S.S.D. College, Kanpur and MR. MAYANK RAI SRIVASTAVA, Advocate for their affection and constant encouragement, by propelling me to stick to my task whenever I was feeling down.

I express my profound obeisance to DR. K.S. SENGAR for sparing his valuable time in guiding me to conduct Rorschach test at every step, without him this work would not have been possible.

I am also thankful to my respected teachers of P.G. Deptt. of Psychology, D.A.V. College, Kanpur for their guidance.
I wish to thank the librarians of C.S.J.M. University, Kanpur, I.I.T. Kanpur, I.I.M. Lucknow, J.N.U. Delhi, N.M.L. Delhi, B.H.U. Varanasi for their help in compiling the review and literature.

A special word of thanks is due to all respondents for their unfailing cooperation, without whom this research work would not have been possible. I am also very much thankful to the Directors of the Drug-deaddiction centers for their cooperation and permission to collect data at their centers.

I also bestow my heartfelt gratitude to my ever loving father DR. KAMLESH KUMAR VERMA and my mother DR. (SMT.) SANTOSH VERMA for being constant source of inspiration and providing me their unflinching support, everlasting blessings and encouragement apart from monetary help extended to me from time to time in completion of this research work.

My special thanks go to my younger sister PRIYANKA and brother NEERAJ. Both were closely associated with the problems faced by me during the research work. Besides, I am also thankful to all my family members and relatives who have supported me in different ways to complete the research work.

I am also thankful to PSYCHEWORLD, where I got all cooperation and help for my research work at every step. I shall be failing in my duty if I don't pay my heartiest thanks to my friends, without whom this research work would not have seen the light of the day. They gave me a lot of encouragement, support and cooperation during my research work. They are: SUNEEL (Energizer). He gave me constant energy and affection not only in my research work but also at others time too. ASHISH (Criticizer and Cooperator), He is the first man, who criticizes me, if I am wrong and always helps me. He gave me constant support during my research work; without him my research work would not have been completed. AMBER (No problem man). He shows he has no problem at all but he helps me whenever I require it, He gave me encouragement for
completing this work. SMITA (A Silent helper), She has always helped me at lot whenever I needed. She helped me at all steps (Writing to correction) of my research work without any condition. ROHINI (Keeps Quiet), Always quiet but gives me suggestion whenever I want. Her silent support encouraged me. KALPANA (Imagination), nobody can imagine, what is she? And what she can do? She helped me wherever and whenever I required. SHAKTI, I have no other word for her because she stands for 'Power'. She helped me in my data collection. ARACHANA MISHRA (Simple didi). She just behaves like elder sister. She has helped me in correction of my research writing.

I wish to place on record my sincere, thanks to all those who have helped me in many ways in completing this research work.

Last but not the least, I wish to extend my thanks to Abhi Graphics for prompt and efficient typing.
