ACKNOWLEDGEMENT

I wish to express my thanks Dr. Sandeep Bakshi Hon’ble Chancellor, Prof. (Dr.) K. L. Sharma Hon’ble Vice Chancellor, Prof. (Dr.) H. N. Verma Hon’ble Pro-Vice Chancellor of Jaipur National University, Jaipur for their valuable support.

It is great pleasure that I wish to express sincere thanks and deep sense of gratitude to my Research Guide, Dr. R. S. Lokhande (M. Sc. Ph.D) Head, Department of Chemistry, School of Basic Sciences, Jaipur National University, Jaipur for his invaluable guidance, constant encouragement that has powered me during the course of this work. I owe this to my guide who not only guided me for my research work, but also trained me to understand various aspects of life.

I wish to express my warm and sincere thanks to my research Co-guide Dr. S. B. Dharap, principal of Bhausaheb Nene College, Pen-Raigad for his constant support during my research work.

I am also very much thankful to members of Janata shikshan Mandal, Alibag and Principal Dr. Anil K. Patil, and Ex. Principal Dr. H. B. Gurav for providing the necessary facilities for successful completion of the project.

It is a pleasure to acknowledge the assistance, direct and indirect, that I received along the way. I wish to thank
Dr. Prashant Chate, Mrs. Sonali Patil, Mr. Santosh Hake, Mr. A.R.Mehandale, Mr. Ashok Jadhav and all my laboratory colleagues, for willing help and co-operation extended to me in various ways by them during the progress of this work. It is my duty to give special thanks to all colleagues and non-teaching staff of J.S.M. College, Alibag.

I owe my most sincere gratitude to Miss. Poonam Shevade, Dr. Paritosh Rana, Dr. Dilip Yadav, Miss. Ankita and Gayatri for their constant support during my research work.

Gratitude not expressible in words due to my Mother-in-law and Father-in-law without whose co-operation, this work could not have been achieved. I would like to thanks Mrs. Varsha Lokhande for providing me excellent moral support and who was a great source of encouragement especially in my difficult time.

Words are insufficient to express my gratitude towards my Spouse Mr. Shailesh, my daughter Ms. Palavee and my other family members for their constant support, inspiration and understanding throughout this research project.

I am very much grateful to all my well wishers without their wishes I would not have succeeded in my project.

Finally, I would like to bow down before the God for giving me physical and mental strength.
