ACKNOWLEDGMENTS

I wish to take this opportunity to express my deep gratitude to Dr. S. S. Jadhav, Professor in Physical Chemistry and Vice Principal, Science Faculty, New Arts, Commerce and Science College, Ahmednagar, for suggesting the interesting topic for research, valuable guidance, constructive criticism and constant encouragement throughout the course of this work. His kind co-operation and soft-heartness enable me to pursue my Ph. D. in peace. It has been a great pleasure to work with him.

I must express my sincere thanks to all Honorable Trustees of Ahmednagar Jilha Maratha Vidya Prasarak Samaj’s, Ahmednagar and Principal of New Arts, Commerce and Science College, Ahmednagar for granting me the permission, providing facilities and encouraging throughout the research work.

I must express my sincere thanks to Prof. A. M. Humbe, Head of the department, Chemistry, for providing me the laboratory facilities. It is a pleasure to extend my appreciation to all teaching and non-teaching staff of chemistry department of New Arts, Commerce and Science College, Ahmednagar, who helped me directly or indirectly during my research work.

It is my pleasure to record my deep sense of gratitude to Dr. S. S. Rinde, Dr. D. R. Thube, Dr. M. V. Navgire and prof. D. V. Aware, Dr. A. K. Nikumb and Dr. S. K. Pardesi, Dr. R. Diggikar for valuable guidance and constant encouragement throughout the course of my research work.

I am greatful for the excellent working relationship and everlasting friendship with Mrs. S. J. Takte, Dr. R. Roychaudhary. I would like to express my deep appreciation to all my friends who helped me directly or indirectly during my research work.

Words fall short to express the feelings towards my parents who have sacrificed a lot for me to accomplish this stage, without them it is not possible to achieve this stage. I would like to express my deep appreciation to my younger brother Namdeo, Ajit and elder sister Sangeeta for their understanding, inspiration and help. Finally thanks to my husband Santosh and my son Soham for their patience, tolerance and help.
