ACKNOWLEDGEMENT

All praise to God almighty for providing me with the strength, perseverance, and wisdom to have this work done on time. The blessings of my husband Shri Jagdish Tanna and all the ancestors, the love and support of my children have indeed made it possible for me to complete this work. I would like express my deepest gratitude to my supervisor Dr. Rakhee Kelaskar for the intellectual guidance and kind support given to me during the period of this project. I also like to extend my sincere gratitude to everybody, who shared the knowledge during this project to reach its level of wisdom with its completion.

Many thanks go to my guide as also being my evaluator Dr. Rakhee Kelaskar for her tremendous help in providing me the valuable help; time and feedback these are much appreciated. I would also like to say thanks and gratitude to the entire administration staff of J.J.T. University for their kind support during the period of research scholarship.

Finally, yet importantly, I would like to acknowledge all my colleagues and friends, who have supported me throughout and have made this period of study a joyful learning experience for me.

Thank You.
