Acknowledgement

First and foremost, I thank God Almighty for his blessings without which this thesis would not have materialized.

This dissertation would not have been possible without the guidance and the help of several individuals who in one way or another contributed and extended their valuable assistance in the preparation and completion of this study.

First of all, I express my profound sense of gratitude and sincere thanks to my guide and mentor, Dr. Jisha M. S. Associate Professor, School of Biosciences, M. G. University, Kottayam, for her expert guidance, immense encouragement, valuable suggestions and constructive criticisms throughout the period of investigation and preparation of this manuscript. The successful completion of this investigation and subsequent thesis would not have been possible without her constant support and guidance. I am very much indebted to her for whatever I have achieved in my research tenure.

I express my deep sense of gratitude to the Director, School of Biosciences, Mahatma Gandhi University Dr. Jyothis Mathew for his consistent support to the completion of this work.

At this juncture I would also like to extend my boundless regards to former directors of the School Dr. Sankar Sasidhar, Dr. G Muraleedhara kurup, and to Dr M.S.Latha.

My sincere appreciations are for the teachers of School of Biosciences namely Dr. Radhakrishnan, Dr. Harikumaran Nair, Dr. K. Jayachandran, Dr. Prakash Kumar, Dr. T.R. Keerthy, Dr. Annie. J., Mrs. Resmi, Dr. Linu Mathew, Dr. Radhakrishnan and Dr (Prof) J. G. Ray.

My sincere thanks are due, to the technical officers of the school namely Mr. Bose, Mrs. Reji, and Mr. Benoy and the technical assistants Mr. Sathyan and Mr. Philip. Here I remember the cooperation shown by the administrative staffs and Librarian Mr Chandran.
Here I would like to remember some names with special regard. Dr. Sally K. Mathew Professor and Head and Dr. S. Beena Associate Professor Department of Plant Pathology College of Horticulture Kerala Agricultural University for very constructive comments on planning the work. Dr. A. B. Vedamoorthi, Bangaluru for Providing all facilities and inspiration for GFP tagging and Dr. Sylus Assistant Professor, School of Environmental sciences M. G.University for his valuable suggestions in molecular works. Dr. J. Sreekumar, Senior Scientist in Central Tuber Crops Research Institute have helped me a lot in statistical work along with Dr. Remesh of rubber research institute kottayam.

Hereby I express my sincere thanks and gratitude to Dr. Arunan Chandravarkar, Technical officer, School of Chemical Sciences, of our university for the technical support in Scanning Electron Microscopy and also for giving valuable comments and MR Anil kumar, Senoir Research fellow in Rajiv Gandhi Center for biotechnology and for his supports in my studies.

I express my deepest sense of gratitude to Dr. K.V Shankaran Director Kerala Forest research Institute, Professor Abraham Koshi KAU, Dr Wills J, RGCB, Dr Joseph Job S.B College Changanasseri, Dr A. P. Thomas Former director Environmental Studies, M.G, University. Dr J Stephen, Canberra, Dr. Madanthangavelu Cambridge University, for their kind support and co-operation during different stages of my research.

Here I would like to mention the name of Mr. Shanavas for the support he had given during the tenure of my study here.

My friends the biggest treasure achieved in my life time were there in all my ups and downs. I would like to mention the name of Dr. Aju K. Asok first in this regard and I also remember the support rendered my other friends such as Mrs. Dhanya S., Mrs. Shabanamol, Mrs. Prathiba V. R., Mrs. Shonima Govindan., Mrs. Sharrel Rebello, Mr. Rishad K., Linu M Salim, Mrs. Anu P. Sebastian, Mr. Pratheesh P. T., Mr. Amith Abraham, Mrs. Jiji Thomas, Mr. Anzil, Mrs. Prabha, Mr. Rajesh Bhaskar, Mrs. Nitha,
Mr. Abhilash M., Mr. Sauganth Paul, Ms. Savitha Koilery, Mrs. Seethal, Mr. Sajudheen.

I extend my heartfelt sincerity to some of the post graduate students of the Department Mr. Vineeth, Mr. Stalin, and Mr. Prasad for the kind of support they had shown during the tenure of the study.

Sincere words of gratitude are due to the staff of Minitek computers for DTP work of the thesis.

Words and versus can’t depict the support rendered by my family during this process. The moral support from my father and mother morphed me to walk all throughout. The constant encouragement, support and the enthusiasm from my wife led the torch to walk forward in all difficulties. Support from my in-laws was also enormous. I remember the support rendered by all my relatives giving me mental support during the tenure of the study.

Athul Sandheep. R.
