Acknowledgement

I am deeply indebted to my respected supervising guide Dr. T.C. Narendran, former Professor and Head, Department of Zoology, University of Calicut, for his expert guidance, immense patience, precious advice, timely suggestions, valuable criticisms, constant encouragement, motivation and moral support which formed the basis of the successful completion of my work. Here I would like to express my sincere gratitude towards him.

I am obliged to Principal, Mar Thoma College, Thiruvalla, for the help extended to me in completing this work. I am extremely thankful to Prof. Koshy Thomas, former Head of the Department of Zoology and to Prof. Johnson M. Samuel, Head of the Department of Zoology of the same College for their valuable help throughout the period of my work by providing all the facilities.

I am extremely grateful to UGC, SWRO, Bangalore for the selection and financial assistance under the Faculty Development Programme (XIth Plan).

I express my gratitude to Rev. Fr. Robin Vadakkancherry, former Manager of Mary Matha Arts & Science College, Fr. Mathew Madappallikunnel. Manager, and Dr. Raju George, Principal of the same college for the selection, permission and support to complete my work successfully under FDP scheme of UGC. I express my sincere thanks to the Office Staff of the same College for the clerical work and all the help and support throughout the period of my work.

I also express my sincere thanks to Dr. Sr. Ancilla, Principal, Providence Women’s College, Calicut for the help extended to me in completing this work. I am extremely thankful to Dr. M.C. Vyjandâ, former Head of the Department of Zoology and to Dr. Nishi Ann, Head of the Department of Zoology of the same College for their valuable help and in providing lab facilities to carry out my work.
I am extremely thankful to my friend and classmate Dr. Mary Anto, Senior Scientist in Entomology division, Kerala Forest Research Institute for the motivation, moral support, encouragement, and the help rendered to me in the field work in various localities of Kerala.

I also express my sincere thanks to Dr. N Ramani, Head of the Department of Zoology, University of Calicut and Dr. M. Nasser, Associate professor of the same Department for the help and facilities. I would like to express my sincere thanks to Dr. Santhosh Sreevihar & Dr. Sheeba M. former research scholars in the insect Taxonomy for their timely help and valuable suggestions which guide me to complete my work. I express my sincere thanks to Dr. Santhosh Sreevihar for spending his precious time in reviewing the thesis with patience.

I extend my sincere thanks to Dr. Sureshan and Dr. Rajmohana, Scientists, Zoological Survey of India, Kozhikode for the advice, valuable suggestions about the research work and the help rendered for the type study from the depository. I am thankful to Ms. Emilyamma, Scientist, and part time research fellow in Taxonomy, ZSI, Kozhikode for the moral support and encouragement and in accompanying me in the field work.

I acknowledge with gratitude to Mr. Reginold Godwin, Project research fellow, Department of Zoology, Providence Women’s College, for the help and cooperation rendered to me in the photographic work of the specimens and for accompanying me in the field work. I am also thankful to Mr. Rajeeesh R.S., research fellow of the same department for the help and support. I would like to express my sincere thanks to Ms. Veena, research scholar in Taxonomy, Mr. Abhilash Peter & Mr. Bijoy, Research scholars in the ZSI, Kozhikode for their help and cooperation in the field work.

I am extremely thankful to Mrs. Mary A.U, Mr. Sajeesh, Ms. Ritty, Mr. Shammeer, Mr. Anoop, Mr. Dhaneesh, Mr. Mathews and Ms. Anility, my former B.Sc. students in the Department of Zoology, Mary Matha Arts & Science College,
Mananthavady, for helping me in the field work in the Western Ghat regions of Wayanad.

I would like to express my sincere thanks to Mr. Balu, Bina Photostat, Calicut University Campus for the neat printing and binding of the thesis.

I express my sincere thanks to all the members of my family for the moral support, encouragement and help in the field work throughout the period for completing the work successfully.

Last but not the least, I would like to express my gratitude to Mr. K.M. Jose, my husband for his support, encouragement and patience in accompanying me in the field work without which I would not have been able to complete my thesis. I would like to express my heartfelt thanks to my children Aparna & Christy for helping me in proof reading and DTP work.

Mercy Ignatius
