LIST OF FIGURES

FIGURES | Pages
--- | ---
1. Diagram of mean values of mothers of normal / mentally retarded children (A1/A2), for stress in six areas. | 69
2. Diagram of mean values of mothers of male/female (B1/B2) for stress in six areas. | 69
3. Diagram of mean values of mothers of high / low socio-economic status children (C1/C2), for stress in six areas. | 70
4. Diagram of mean values of mothers of normal / mentally retarded children (A1/A2), for marital adjustment. | 72
5. Diagram of mean values of mothers of male/female (B1/B2) for marital adjustment. | 72
6. Diagram of mean values of mothers of high / low socio-economic status children (C1/C2), for marital adjustment. | 73
7. Diagram of mean values of mothers of normal / mentally retarded (A1/A2), for self perception. | 75
8. Diagram of mean values of mothers of male/female children for self perception. | 75
9. Diagram of mean values of mothers of high / low socio-economic status (C1/C2), for self perception. | 76
10. Diagram of mean difference in physical stress of mothers of normal / mentally retarded (A1/A2), male/female (B1/B2) children | 84
11. Diagram of mean difference in social stress of mothers of normal / mentally retarded (A1/A2), male/female (B1/B2) children | 84
12. Diagram of mean difference in role stress of mothers of normal / mentally retarded (A1/A2), male/female (B1/B2) children. | 85

17. Diagram of mean difference in social stress of mothers of normal / mentally retarded children (A1/A2), high and low socio-economic status (C1/C2) children.

22. Diagram of mean difference in physical stress of mothers of male / female (B1/B2), high / low socio-economic status (C1/C2) children.

23. Diagram of mean difference in social stress of mothers of male / female (B1/B2), high / low socio-economic status
(C1/C2) children.

24. Diagram of mean difference in role stress of mothers of male / female (B1/B2), high / low socio-economic status (C1/C2) children.

25.Diagram of mean difference in family stress of mothers of male / female (B1/B2), high / low socio-economic status (C1/C2) children.

27. Diagram of mean difference in superstition stress of mothers of male / female (B1/B2), high / low socio-economic status (C1/C2) children.

children.

34. Diagram of mean difference in marital adjustment of mothers of normal / mentally retarded (A1/A2), male/ female (B1/B2), children.

35. Diagram of mean difference in marital adjustment of mothers of normal / mentally retarded (A1/A2), high / low socio-economic status (C1/C2) children.

36. Diagram of mean difference in marital adjustment of mothers of male / female (B1/B2), high / low socio-economic status (C1/C2) children.

40. Diagram of mean difference in self perception of mothers of male/ female (B1/B2), high / low socio-economic status (C1/C2) children.
