ACKNOWLEDGEMENTS

I have no word to express heart felt gratitude to my guide Dr. I.L. Srivastava, Prof. and Head (Retd.), Department of Agricultural Economics, K.A.P.G. College, Allahabad; for his valuable guidance, encouragement and paternal treatment during the entire course of investigations and for his useful and constructive criticism and suggestions on earlier drafts of this manuscript.

I express my heartiest thanks to Dr. A.K. Srivastava, Head, Department of Agricultural Economics, K.A.P.G. College, Allahabad, for providing all necessary facilities and help in completion of this work.

I am highly grateful to Dr. Ashok Kumar, Head, Division of Agricultural Statistics in the Department of Agricultural Economics, K.A.P.G. College, Allahabad, for scholarly advice, sagacious guidance and suggestions in statistical analysis of the data, their presentations and interpretations thereof.

I express my indebtedness to Dr. S.K. Srivastava, Dr. M. Ahmed, Dr. S.L. Gupta for their valuable guidance during the period of study.

My most sincere thanks are due to Dr. B.B. Singh, Principal, U.P. College, Varanasi; Dr. Rajendra Singh, Research officer, Agro-Economic Research Centre, Allahabad; Dr. K.P. Sharma (Lecturer), Govt. Degree College, Varanasi and Shri Ramji Pandey, A.E.R.C. Allahabad, for their cooperation during the period of research work.

A great acknowledgement is due to my elder father Shri Sankatha Rai, Advocate, Allahabad High Court and father Dr. J.K. Rai (Medical Practitioner), Robertsganj, who inspired and encouraged me in each and every path of my life.

My deep gratitude to Mr. Rajneesh Kumar for composing the manuscript.

Last, but not least my heartiest thanks are due to Dr. G.P. Singh, Dr. S.M.A. Rizvi and all those who have helped me in completing my present assignment.
