ACKNOWLEDGMENT

At the outset I am grateful to God who has bestowed on me the courage to take this stipendous task and kept me away from worries during my research work.

With a deep sense of gratitude, I wish to offer my sincere thanks to Dr. B.R. Singh Chauhan, M.Sc.(Ag.) Economics, Ph.D. Janta Mahavidyalaya, Ajitmal, Etawah. not only for his extremely valuable suggestions for this problem, but also for his austere and noble guidance enthusiastic and unimaginable zeal during the entire period of the present investigation and for going through the manuscript critically.

I am deeply indebted to Dr. B.P. Sharma, Head, Department of Agricultural Economics, for his keen interest encouragement constructive criticism and for providing facilities throughout the research programme.

I am also grateful to Dr. S.N. Tiwari, Principal, Janta Mahavidyalaya Ajitmal Etawah for providing the opportunity of doing Ph.D. work in his college.

I am also equally thankful to Prof. A.K. Dubey, Prof. K.C. Gupta for giving the useful suggestions during compilation of data and summarizing the material.

I can't fail to express my thanks to Dr. B.K. Gupta, Dr. R.K.S. Kushwaha, Dr. S.D.S. Sengar and Dr. P.D. Mishra for their encouragement and cooperation in the completion of the research work.

I take this opportunity to express my gratitude to my parents and relatives especially my younger brother Shri Gyanesh Misra for their time to time help in terms of financial and moral support.

(RAKESH KUMAR MISRA)
