ACKNOWLEDGEMENT

I sincerely express my heartfelt gratitude to my supervising guide Dr. Girija Kuttan, Ph.D., Professor, Department of Immunology, Amala Cancer Research Centre for her expert guidance, precious advice, timely suggestions and immense patience which formed the basis for the successful completion of my work. Her constant encouragement and motivational skills had worked wonders on many occasions of uncertainties.

I express my deep sense of gratitude to Dr. Ramadasan Kuttan, Ph.D., Research Director, Amala Cancer Research Centre for his help, advice, constant support and inspiration throughout the time.

I wish my sincere thanks to Padmabhooshan Rev. Fr. Gabriel CMI, Founder Director, Rev. Fr. George Pius CMI, Former Director, Rev. Fr. Dr. Paul Achandi CMI, Former Director, Rev. Fr. Walter Thelappilly CMI, Managing Director, Rev. Fr. Thomas Chakkramakkil CMI, Former Joint Director and Rev. Fr. Jaison Mundanmani, Joint Director, Amala Cancer Hospital and Research Centre, for permitting me to carry out my research at Amala Cancer Research Centre.

I would like to express my sincere thanks to Dr. Jose Padikkala, Dr. T.D. Babu, Dr. Achuthan C. Raghavamenon and all other staff and faculties of Amala Cancer Research Centre for their support, help and suggestions and creative criticism.

I express my sincere thanks to Dr. V. Ramnath, Associate Professor & Head, Department of Veterinary Physiology, College of Veterinary and Animal Sciences, Pookote, Kerala, and Dr. Sureshkumar, Associate professor, Radiotracer Laboratory, Kerala Agricultural university, Thrissur for all their help throughout the period of my study.

I express my gratitude to my seniors, Dr. Manu K. A., Dr. Hamsa T.P., Dr. Pratheeshkumar P., and Dr. Guruvayoorappan C., for their support and encouragement rendered to me during my work.
I am thankful to Mrs. Vishnupriya Murali, Ms. Remya Chandran, Ms. Gilcy George K and Mrs. Sowmya T.M., my colleagues in Department of Immunology and to Mrs. Sandhya C., Mrs. Santhini Ajith and Mrs. Nirmala P.G., technicians in Department of Immunology for their sincere co-operation and encouragement extended to me during my work.

I am thankful to Mr. M. Muthuvel, Mr. D. Kathiresan and other members of Department of Radiotherapy for their help in radiation studies. I express my gratitude to all the members of Department of Gynecology for their help.

I record my sincere thanks to Dr. K.C Preethi, Ms. Sindhu E.R., Mr. Fijesh P. Vijayan and Mr. Liju V.B. for their gracious attitude and moral support during my time in Amala.

I am indebted to a friendly group of fellow students at Amala Cancer Research Centre for providing intellectual comfortable environment and for helping me get through the difficult times, and for all the emotional support, criticism, entertainment, and caring they provided. I am also grateful to Mrs. Hemalatha E, Mrs. Preetha C. G, Ms. Thankammani N. K and Mrs. Sumathy P. K, staffs of Amala Cancer Research Centre for all the help they have provided to me.

I express my thankfulness in depth to my dear parents and brothers for their endurance, co-operation and prayer without which it would have been impossible for me to complete this work in its present form.

Above all I bow my head to God Almighty for taking care of me.

SIVEEN K.S.
