I express my sincere gratitude to my supervising teacher, Dr. R. Sreekumar, Special Grade Principal (Rtd.), Maharajas College, Ernakulam for his constant advice, timely and inspiring guidance and whole-hearted support throughout the course of this study and in the preparation of the thesis.

I express my gratitude to the Management, Principal and Staff of Christ College, Irinjalakuda, especially to my colleagues in the Department of Botany, for their constant encouragement.

I am grateful to Prof. (Sr.) Tessa and Prof. (Sr.) Christabelle, former Principals (Rtd.), and Dr. (Sr.) Teresa, the principal, St. Teresa’s College, Ernakulam for providing me with all the necessary facilities to carry out this work. I sincerely thank the teaching and non-teaching staff of the Department of Botany, St. Teresa’s College, Ernakulam for their help and assistance during the course of the study.

I am grateful to the University Grants Commission (UGC) for extending financial support as a minor research project during the 10th plan period and Teacher Fellowship under Faculty Development Programme during the 11th plan period to this endeavour.

I am obliged to Dr. V. Krishnamurthy, the Krishnamurthy Institute of Algology, Chennai, Dr. N. Anand, Centre for Advanced Studies in Botany, University of Madras, Guindy Campus, Chennai and Dr. K.J. Joseph, Reader (Rtd.), Marine Biology division, School of Marine Sciences, Cochin University of Science and Technology, Ernakulam for their motivation and encouragement.

I wish to record my gratitude to Dr. C.P. Gopinathan, Principal Scientist (Rtd.), Central Marine Fisheries Research Institute, Cochin, Dr. M.V.N. Panikkar, Sree Narayana College, Kollam, Dr. L. Jose, St. Alberts College, Ernakulam, Dr. M.S. francis, Sacred Heart College, Thevara and Dr. C. Shaji, Sree Narayana College, Kollam, for their encouragement and support.
The library facilities extended by the Central Marine Fisheries Research Institute, Cochin, Mahatma Gandhi University, Kottayam, Calicut University, Tenjipalam, Calicut, Cochin University of Science and Technology, Ernakulam, Kerala Forest Research Institute, Peechi, School of Environmental Science, Kottayam and Kerala University, Thiruvananthapuram are gratefully acknowledged.

I duly acknowledge the support and the encouragement rendered by Dr. John Thomas K., Animal Behavior and Wetland Research Laboratory, Dept. of Zoology and Dr. S. Sreekumar, Dept. of Geology and Environmental Science, Christ College, Irinjalakuda.

I extend my sincere gratitude to Mr. M.G. Cyriac, Executive Engineer, Regional Water Analysis Laboratory, Thrissur, for the help and facilities provided for carrying out the water analysis during the conduct of this study.

Special thanks to all my friends especially Dr. Joshi K.K., HOD (Rtd.), Dept. of Botany, S.N.M. College, Maliyankara, Dr. Jose John, Dept. of Botany, K.G. College, Mannanam, Dr. K.K. Váheeda, Dept. of Botany, M.E.S. Asmabi College, Kodungallur and Mrs. Meena Jose Irinpan, Dept. of Botany, St. Joseph’s College, Irinjalakuda for their support rendered during this period.

I am deeply indebted to my beloved parents, my husband Adv. John T. Sebastian and sons Allen John and Ajay John, for their encouragement, support and timely and invaluable assistance, without which I would not have completed my work. I wish to express my gratitude to all my in-laws especially Prof. M.A. Job of MET’s School of Engineering, Mala, for their continuous motivation and encouragement.

A number of individuals have helped me in various ways and encouraged me during the course of this work as it is impossible to mention all of them. I thank all of them.

Above all I bow my head before God Almighty for the never-ending blessings showered on me to carry out this work successfully.

Terry Paul P.
