Acknowledgement

I sincerely thank each and everyone who helped me in completing this thesis work, without whose help it might have been difficult for me to accomplish it to my satisfaction. I express my heartfelt gratitude to my supervising teacher Dr. Kuruvilla Joseph, Professor of Chemistry, Indian Institute of Space Science and Technology, Thiruvananthapuram, for his invaluable guidance, motivation and encouragement during the entire course of my research work. It has been a great pleasure for me to work under his supervision. I am indebted to him for the helpful discussions and valuable advice during the entire course of this work.

My sincere thanks to Dr. Sabu Thomas, Director, School of Chemical Sciences, Mahatma Gandhi University for his support and motivation which indeed led to the successful completion of my work.

I am extremely thankful to Rev. Dr. Joseph Naduvilezham (Manager, St. Berchmans College, Changanassery), Rev. Fr. Jos P. Kottaram (former Manager), Rev. Fr. Tomy Padinjareveettil (Principal, St. Berchmans College, Changanassery) for their encouragement and support. I am also thankful to the teaching and non-teaching staff of S.B. College for their valuable support.

Sincere thanks to ISRO for providing the financial support for carrying out this work under the RESPOND project entitled “Development of high performance impermeable membranes from chlorobutyl rubber nanocomposites for critical space applications” (ISRO/RES/3/587/2007-08). Also my heartfelt thanks to the Indian Institute of Space science and Technology, Thiruvananthapuram for providing senior research fellowship for the completion of my work.
I extend my heartfelt thanks to Dr. K.S Das Gupta, Director IIST, Dr. B. N Suresh, (Former Director IIST) Dr. R. Krishnan, Dean (Academics) IIST, Dr. V. Adimurthy, Dean (R&D) IIST, Dr. K. N. Ninan, Emeritus professor IIST and Mrs. Bindya K.R, A.O IIST for helping in the smooth execution of the project at IIST. Sincere thanks to Shri. Muraleekrishnan. R, Section Head, ASD & NDTS, VSSC, Shri Ratheesh. S, Scientist Engr, PED, and all the technical staff of PED, VSSC for their help in the sample preparation and characterization. I also thank all the faculty members and staff of the Department of chemistry, IIST for their valuable guidance which enabled the successful completion of the research work.

I extend my sincere thanks to the Director, Common Facility Service Centre, Changanassery for granting permission to utilize the facilities which enabled me to complete this research work successfully.

I express my sincere thanks to Dr. P C. Thomas, Dr. K. C. George, Dr. Tomlal Jose, Dr. Shaji Joseph and Dr. Abi santosh Aprem for their creative suggestions and keen interest on the progress of the work.

I gratefully acknowledge with gratitude Dr. T. Muraleedharan Nair, Mr. Ramakanth and Mr. Harikuttan of CFSC, Changanassery, Kottayam for their help in mechanical property measurements at the laboratory attached to CFSC.

I am thankful to Dr. Raju Thomas, Ms. Hanna Mariam, Mr. Ajesh Zacariah, Mrs Anu Teresa Sunny and Mr. Gejo George for their suggestions and discussions during the entire course of my work. I take this opportunity to thank each and everyone working in the S. B. College Research Lab and at School of Chemical Sciences, Mahatma Gandhi University whose names are too many to list here for their kind co-operation during the course of my work.
I am grateful to the Librarian and staff members of Mahatma Gandhi University Library, St. Berchmans’ College Library and VSSC Library for their help during my research programme.

I gratefully acknowledge the services rendered by the Staff and Scholars of Indian Institute of Technology, Guwahati, Indian Institute of Technology, Madras, Rubber Research Institute of India, Kottayam, Sophisticated Test and Instrumentation Centre, Cochin, HLL Life Care Limited, Thiruvananthapuram; CFSC, Changanassery for providing instrumental facilities of sample analysis.

My deep sense of gratitude to the management of Amrita Vishwavidyapeetham University, Amritapuri for the support extended in completing my research work. My heartfelt thanks to all my colleagues in the Department of Chemistry and well wishers in Amrita Vishwavidyapeetham University, Amritapuri.

Finally, I express my deep sense of gratitude to my beloved parents, my brother and my sister in law whose prayers, affection, encouragement, inspiration and support smoothly paved my path towards the successful completion of this research work. My heartfelt thanks to my husband Rajasekharan, my daughters Aiswarya and Amritha and other family members for their unconditional love, care, affection, motivation, encouragement and support which empowered me during the entire course of research work.

At this juncture, I humbly bow before Almighty God for showering His choicest blessings on me and giving me the strength and wisdom to reach this milestone in my life.

Saritha A.
