ACKNOWLEDGEMENT

My heart overflows with gratitude and praise to God Almighty for His graces and Blessings for making this research work possible.

I express my deep sense of gratitude to Dr. M.V. Rosa, Associate Professor and Research guide, Department of Mathematics, Bharata Mata College, Thrikkakara for her excellent guidance, enthusiastic support and timely suggestions throughout this work.

I render my heartfelt gratitude to Prof. T. Thrivikraman, Former Head, Department of Mathematics, Cochin University of Science and Technology, Kochi for his patient approach, valuable suggestions and encouragement that made me more confident.

I am thankful to the University Grants Commission for awarding me the Teacher Fellowship under Faculty Improvement Programme during the XI Plan period.

I am also thankful to the Head of the Department of Mathematics, Cochin University of Science and Technology, Kochi for permitting me to make references in the Departmental library.

My special thanks to Dr. Shiny Philip, Associate Professor, Model Engineering College, Thrikkakara for her help and encouragement.

I remember with gratitude the encouragement and support given by the Principal and my colleagues in the Department of Mathematics, Bharata Mata College, Thrikkakara.

This work has been made possible by the sustained help, support and prayers of my husband and children.

LISSY JACOB
