List of Tables

1.1 Transfer of Technological Process in the Indian Cement Industry (1950 to 2009) 5
1.2 Technological Transition of the Indian Cement Industry 6
2.1 Wholesale Price Index of Cement in India (1994-95 to 2008-09) (Base: 1993-94=100) 39
2.2 Growth of Indian Cement Industry through the Five Year Plans 49
2.3 Variety-wise Cement Production in India (1992-93 to 2008-09) (in mn. t.) 56
2.4 Export of Cement from India (1970-71 to 2008-09) 59
2.5 State Levies and Taxes on Cement Exports 60
2.6 Import of Cement by India (1914 to 2008-09) 62
2.7 Per Capita Consumption of Cement in India (1989 to 2008) (In Kgs/Annum) 63
2.8 Cement Consumption in India (1994-95 to 2008-09) 64
2.9 Projects under the National Highways Development Programme 65
2.10 Demand for Cement in India (1980-81 to 2008-09) (in Million Metric Tonne) 66
2.11 Region-Wise Status of Cement Grade Limestone Reserves in India (As on 31 March 2006) 68
2.12 State-Wise Status of Coal Reserves in India in mn.t. (As on 1st April 2009) 70
2.13 Requirement of Indigenous Coal for 2011-’12(in mn.t.) 71
2.14 Consumption of Minerals in Cement Industry in India (1993-94 to 2004-05) (in ’000 Tonne) 71
2.15 Cement Production by Use of Captive Power (1992-93 to 2008-09) 74
2.16 Trends in Green House Gases Emission in Indian Cement Industry (1990-2008) 78
2.18 The Thrust Areas of R&D for the XI Plan and Expected Benefits 83
2.19 Mergers and Acquisitions in the Indian Cement Industry (1999-2008) 87
4.1 Components of Costs of Production of Sample Firms (2008-09) (’ in Crores) 136
4.2 Cost of Production as an Index of Efficiency (2008-09) 138
4.3 Structure of Capital Employed (2008-09) 139
4.4 Intensity Ratios 140
4.5 Cement Exports as a Percentage of Net Sales (2008-09) 142
4.6 Research and Development as a Percentage of Net Sales (2008-09) 143
4.7 Capacity Utilization as a Percentage of Actual Production to Installed Capacity (2008-09) 144
4.8 Liquidity Ratios of the Sample Cement Firms (2008-09) 146
4.9 Leverage Ratios of the Sample Cement Firms (2008-09) 149
4.10 Activity Ratios of the Sample Cement Firms (2008-09) 152
4.11 Profitability Ratios of the Sample Cement Firms (2008-09)-I 154
4.12 Profitability Ratios of the Sample Cement Firms (2008-09)-II 155
4.13 Growth Ratios of the Sample Cement Firms (2008-09) (in Percentages) 157
4.14 Descriptive Statistics of Inputs and Outputs 165
4.15 Correlation Coefficients of Inputs and Outputs 166
4.16 Technical Efficiency Scores and Returns to Scale of Sample Firms Using DEA 168
4.17 Number of Efficient and Projected DMUs under Returns to Scale 169
4.18 Frequency of Reference DMU in CCR and BCC Models 171
4.19 Potential Improvements of Inputs for Inefficient Sample Firms of CCR Model 173
4.20 Potential Improvements of Inputs for Inefficient Sample Firms of BCC Model 175
4.21 Window Analysis for the Sample Firms by Three Adjacent Years 177
5.1 Trends in Selected Variables (1994-95 to 2008-09) (Figures in mn.t.) 182
5.2 Growth Rates of Selected Variables (1994-95 to 2008-09) (Figures in Percentage) 184
5.3 Trends in Cement Export (1994-95 to 2008-09) 187
5.4 Indexes of Output and Inputs (1994-95 to 2008-09) 191
5.5 Index of Partial Productivity (1994-95 to 2008-09) 193
5.6 Growth Rates of Partial Productivity Indices 194
5.7 Factor Intensities of Inputs (1994-95 to 2008-09) 198
5.8 Total Factor Productivity Index (1994-95 to 2008-09) 202
5.9 Cobb-Douglas Production Function Estimates 205
5.10 CES Production Function Estimates 209
5.11 Translog Production Function Estimates-I 211
5.12 Translog Production Function Estimates-II 212
5.13 Trends in Research and Development Expenditure (1994-95 to 2008-09) 214
5.15 Regression Estimates of Research and Development Intensity 219
5.16 Shares of Input Cost of Production (1994-95 to 2008-09) 222
5.17 Regression Results-I 223
5.18 Regression Results-II 225
5.19 Regression Results-III 226
5.21 Status of Clean Development Mechanism Projects from Indian Cement Companies 234
