List of Figures

1.1 Evolution and Forecast of Cement Technology  3
1.2 Technological Evolution of the Indian Cement industry  7
2.1 World Cement Production by Region and Main Countries in 2009  35
2.2 Cement Consumption Per Capita and GDP Per Capita in 2008  36
2.3 Wholesale Cement Price Movement in India (1994-95 to 2008-09)  40
2.4 Cement Price Changes in Major Cities of India  41
2.5 Possible Alternative Fuels that can be used in the Cement Industry  77
4.1 Frontier Analysis in DEA  159
4.2 CRS and VRS Efficiency Frontiers  161
4.3 BCC Efficiency Scores of the Sample Firms  166
4.4 CCR Efficiency Scores of the Sample Firms  167
5.1 Trends in Selected Variables (1994-95 to 2008-09)  183
5.2 Partial Productivity Indices of Capital, Energy, Material (1994-95 to 2008-09)  195
5.3 Labour Productivity Index and Capital-labor Ratio (1999-2000 to 2008-09)  196
5.4 Total Productivity Indices (1994-95 to 2008-09)  203
5.5 Trends in Research and Development, Royalties/Technical Know-How (1994-95 to 2008-09) (in Percentage)  217
5.6 Trends in Technology Imports (1994-95 to 2008-09) (in Percentage)  218
5.7 Estimated Average Cost and Marginal Cost (1994-95 to 2008-09)  225
5.8 CO₂ Emissions from Cement Manufacture  230
