PREFACE

It gives me great pleasure to acknowledge my deepest sense of gratitude and indebtedness to the individuals and institutions for their co-operation, guidance and help during the course of study.

Having been able to complete my research work within the stipulated time, I realise how fortunate have I been to find a supervisor like Dr. V.S. Awasthi Retd. Head of the Department, Christ Church College, Kanpur. A person of eminence, devoted academician and author with a unique blend of yoga fame internationally, accumulated a treasure of valuable information for working on a subject like inflation. He very ably guided me to have an insight into the research problem. It would, therefore, not be an exaggeration to say that the present study could have hardly been materialise but for continued guidance and supervision of Dr. V.S. Awasthi.

Being lecturer in Lucknow Christian Degree College at Lucknow, I continued to receive every possible help from my teachers. I shall be failing in my duty if I do not specially thank (Prof.) Dr. A.P. Gupta, Head & Dean, Department of Commerce, Kanpur University, Sri J.N. Shukla, Dr. H.C. Srivastava, Dr. R.K. Tripathi and Dr. D.P. Misra all readers in the department of commerce, University of
Lucknow for their active co-operation and encouragement. I would also like to express my deepest sense of gratitude to late Dr. S.P. Tewarson, former Principal and President of Lucknow Christian Degree College who granted me permission and always wished and encouraged me for my personal attainments.

My most sincere thanks are also due to Prof. Upadhyaya, Vice Chancellor, Kanpur University, Kanpur and the Principal of Lucknow Christian Degree College, Dr. B.P. Masih, who has been kind enough to guide me to complete the research work within the stipulated time.

Special thanks are also due to my departmental colleagues relatives and friends and wife for their co-operation and forbearance during the course of the study.

I shall be the most abominable of all creatures if I do not express my deepest gratitude to my father Dr. K.C. Agarwal, Reader, Department of Hindi, Lucknow University, Lucknow, as it is only and only because of him that I have been able to become something.
